PACESETTER RIFLE THREEDIE SETS LEE PRECISION 257 ACKLEY IMPROVED 3DIE SET Safety Instructions

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET from LEE PRECISION. This product is designed for reloading the 257 Ackley Improved cartridge. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the product in a safe location when not in use.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- Use eye protection when operating the reloading equipment.
- Wear appropriate gloves to protect your hands from sharp edges and chemicals.
- Ensure that all components are compatible with the 257 Ackley Improved cartridge.
- Avoid using excessive force when operating the dies to prevent injury or damage.
- Never leave the reloading process unattended.
- Be aware of the risks associated with handling gunpowder and primers. Follow all safety measures for handling these materials.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted.
- Gather all components: Full Length Sizing Die, Bullet Seating Die, Factory Crimp Die, Universal Shell Holder, Powder Dipper, and Instructions/Load Data.

2. Installation:

- Install the Full Length Sizing Die into the reloading press according to the manufacturer's instructions.
- Follow with the Bullet Seating Die and then the Factory Crimp Die.
- Use the Universal Shell Holder to secure the cartridge case during reloading.

3. Reloading Process:

- Start by resizing the cartridge case using the Full Length Sizing Die.
- Measure and pour the appropriate amount of powder using the Powder Dipper.
- Seat the bullet using the Bullet Seating Die, ensuring proper alignment.
- Crimp the cartridge using the Factory Crimp Die to secure the bullet in place.

4. Final Checks:

- Inspect each cartridge for proper seating and crimping.
- Store completed cartridges in a safe location.

Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of gunpowder or primers in regular trash. Contact local authorities for proper disposal methods.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the PACESETTER RIFLE THREEDIE SET, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the PACESETTER RIFLE THREEDIE SET. Always prioritize safety and compliance with local regulations when engaging in reloading activities. Thank you for your attention to these important guidelines.
