# PISTOL CARBIDE 3 DIE SETS LEE PRECISION 44 RUSSIAN CARBIDE 3DIE SET Safety Instructions

## Introduction

Thank you for choosing the PISTOL CARBIDE 3 DIE SET by LEE PRECISION. This guide provides important safety information and instructions for the safe use of your die set. It is essential to follow these guidelines to ensure your safety and the proper functioning of the product.

## General Safety Guidelines

- Ensure the die set is used only for its intended purpose, which is to reload 44 Russian cartridges.
- Always read and understand the instructions before using the product.
- Keep the die set out of reach of children and vulnerable individuals.
- Regularly inspect the dies for any signs of wear or damage before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while reloading ammunition.
- Store the die set in a dry, cool place to prevent corrosion and damage.

## Specific Safety Precautions for Use

- **Carbide Dies:** Carbide dies do not require sizing lube; however, ensure that the dies are clean and free from debris before use.
- **Bullet Seating Die:** Ensure proper alignment when seating bullets to avoid crushing or damaging them.
- **Powder Thru Expanding Die:** Use with caution and ensure that the powder measure is set correctly to avoid overcharging.
- **Shell Holder:** Confirm that the shell holder is compatible with the 44 Russian cartridges to prevent misalignment.
- **Instructions/Load Data:** Always refer to the load data provided and follow recommended guidelines for safe reloading practices.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the die set, shell holder, powder dipper, and any additional reloading equipment.
- Ensure your workspace is clean and organized to prevent accidents.

### 2. Installation:

- Secure the Carbide Full Length Sizing Die into your reloading press according to the manufacturer's instructions.
- Install the Bullet Seating Die and Powder Thru Expanding Die in the same manner.

### 3. Usage:

- **Full Length Sizing:** Insert the cartridge case into the shell holder and run it through the sizing die to resize the case.
- **Expanding:** Use the Powder Thru Expanding Die to expand the case mouth for bullet seating.
- **Seating:** Adjust the Bullet Seating Die to seat the bullet to the desired depth.
- **Loading:** Use the Powder Dipper to measure the correct amount of powder before loading it into the cartridge case.

#### **4. PostUsage:**

- Clean the dies after use to remove any residue or debris.
- Store the die set in a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of ammunition or reloading materials in regular household waste.
- Contact local authorities for guidance on the safe disposal of hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the PISTOL CARBIDE 3 DIE SET, please contact the manufacturer or refer to the product packaging for customer support information.

By adhering to these safety instructions, you can ensure a safe and effective reloading experience with your PISTOL CARBIDE 3 DIE SET. Always prioritize safety and follow all recommended practices.
