Safety Instruction Guide for DELUXE QUICK TRIM CUTTER ASSEMBLY

Introduction

Thank you for choosing the DELUXE QUICK TRIM CUTTER ASSEMBLY by LEE PRECISION. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of your cutter assembly. Please read this manual carefully before use.

General Safety Guidelines

- Always read and follow the safety instructions provided in this guide.
- Ensure that the cutter assembly is used only for its intended purpose.
- Keep the cutter assembly out of reach of children and vulnerable individuals.
- Inspect the cutter assembly for any damage before each use. Do not use if damaged.
- Store the cutter assembly in a dry and safe place when not in use.
- Report any unsafe conditions or accidents to relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the cutter.
- Ensure that the workspace is clean and free from clutter to prevent accidents.
- Do not operate the cutter assembly in wet or damp conditions.
- Avoid wearing loose clothing or jewelry that could get caught in the cutter.
- Always keep hands and fingers clear of the cutting area during operation.
- Do not attempt to modify or repair the cutter assembly. Contact a qualified technician for repairs.

Instructions for Installation and Usage

1. Installation:

- Ensure the cutter assembly is compatible with your Lee Value Trim.
- Carefully follow the manufacturer's instructions for attaching the cutter assembly.
- Ensure all components are securely fastened before use.

2. Usage:

- Adjust the cutter assembly to the desired setting based on the caliber being used.
- Place the case securely in the cutter assembly before operation.
- Activate the cutter assembly as per the manufacturer's instructions.
- Monitor the operation closely and stop immediately if any unusual sounds or movements occur.

3. PostUse:

- After use, clean the cutter assembly to remove any debris or residue.
- Store the cutter assembly in its designated place to prevent damage.

Disposal Instructions

- Dispose of the cutter assembly responsibly according to local regulations.
- If the cutter assembly is no longer usable, consider recycling the materials where possible.
- Do not dispose of the cutter assembly in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or operation of the DELUXE QUICK TRIM CUTTER ASSEMBLY, please refer to the manufacturer's website or customer support channels. Ensure you have the product details and any relevant information ready for assistance.

By following these guidelines, you can ensure safe and effective use of your DELUXE QUICK TRIM CUTTER ASSEMBLY. Thank you for prioritizing safety!
