Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 7X57 MAUSER QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the Quick Trim Die.

General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided in this manual.
- Always handle tools and dies with care to prevent injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the die for any damage or wear before use. Do not use if damaged.
- Store the Quick Trim Die in a dry, safe place when not in use.
- Follow all local regulations regarding the use and disposal of reloading components.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses, when using the Quick Trim Die.
- Ensure that the case trimmer is securely mounted and stable before use.
- Do not exceed the recommended cartridge specifications for the Quick Trim Die.
- Avoid wearing loose clothing or jewelry that could become caught in the machinery.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the die.

Instructions for Installation and Usage

1. Installation

- Ensure that the Lee Deluxe or Lee Value Trim Case Trimmer is properly set up.
- Insert the Quick Trim Die into the case trimmer according to the manufacturer's instructions.
- Tighten all screws and fittings securely to avoid any movement during operation.

2. Usage

- Select the appropriate cartridge (7 mm Mauser) for trimming.
- Place the case into the trimmer, ensuring it is correctly aligned.
- Operate the trimmer according to the instructions provided with the trimmer.
- Check the trimmed case length regularly to ensure it meets specifications.
- After use, clean the Quick Trim Die to remove any debris or residue.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the Quick Trim Die is no longer usable, follow local guidelines for the disposal of metal tools and dies.
- Do not dispose of the product in regular household waste; check for recycling options where available.

Contact Information for Further Support

For any safety inquiries or support regarding the Lee Quick Trim Die, please refer to the manufacturer's contact

details provided with your product packaging or on their official website.

By following these guidelines, you can ensure a safe and effective experience with your Lee Quick Trim Dies. Thank you for your attention to safety, and happy reloading!
