General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your specific application (i.e., 380 Auto (ACP) cartridges).
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Be aware of your surroundings and ensure that the workspace is clean and free from unnecessary hazards.
- Follow all local regulations regarding the use and disposal of reloading components.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the product.
- Avoid using the product if you are tired, distracted, or under the influence of substances that may impair your judgment.
- Do not exceed the recommended load specifications for the cartridges you are using.
- Handle all components with care to prevent accidental discharge or injury.
- Ensure that the trimmer is securely attached and stable before operating.
- Never leave the product unattended while in use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Lee Deluxe or Lee Value Trim Case Trimmer is properly set up according to the manufacturer's instructions.
- Attach the QUICK TRIM DIE securely to the trimmer, ensuring it is aligned correctly.
- Check that all components are tightened and that there is no play in the assembly.

2. Usage:

- Load the cartridge case into the trimmer according to the manufacturer's guidelines.
- Operate the trimmer according to the instructions provided with the trimmer model.
- Monitor the trimming process closely to ensure that the die is functioning correctly.
- After trimming, inspect the cartridge case for any signs of damage or improper trimming.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.
