

YUGO GEN-3 DOG LEG RAIL FOR AK-47 RIFLE - TEXAS WEAPON SYSTEMS YUGO GEN-3 DOG LEG RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Keeping your shots on target is what it's all about. Whether you require the quick target acquisition of a red dot or the range of a magnified optic, the Gen-3 Dog Leg™ scope rail has you covered. Mounted directly over the receiver, the patented Dog Leg™ scope rail with integral dust cover provides optimal balance, generous rail space, and protects delicate optics from barrel heat. The ingeniously simple and rugged design provides a rock solid mount for accuracy and a forward hinged, quick release cover with rear cam lock design to preserve the AK's field stripping qualities. The quick release hinge also allows the use of longer scopes without the need for quick detach mounts. Available in various configurations for standard pattern AK, Yugo, C39 and PSL rifles. Kit Includes Dog Leg Rail Top Cover Hinge Fork with takedown pin (pre-installed) Hinge Base with screw Nut Plate (under hinge base) Hinge Base Pin & retaining clip Cover Release Button Allen wrench NOTE: Some rifles need an additional part (PN 55315 - Guide Wire & Retainer Cap / 6") that works in conjunction with the TWS supplied Cover Release Button. Most AK rifles have a recoil spring assembly that consists of two long "U" shaped wires that loop together. The two looped wires assemble inside the recoil spring. If your AK rifle has a telescopic tubular type recoil guide, please order the additional part, Guide Wire & Spring Retainer (PN 55315) DIRECTLY FROM TEXAS WEAPON SYSTEMS. This additional part, along with the Cover Release Button will replace your telescopic tubular type recoil spring assembly.

Attributes

- Name: [TEXAS WEAPON SYSTEMS YUGO GEN-3 DOG LEG RAIL](#)
- Manufacturer: [TEXAS WEAPON SYSTEMS](#)

YUGO GEN3 DOG LEG RAIL FOR AK47 RIFLE Safety Instruction Guide

Introduction

Thank you for choosing the YUGO GEN3 Dog Leg Rail for your AK47 rifle. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure the product is suitable for your specific rifle model.
- Always handle firearms and accessories with care and respect.
- Inspect the product for any visible damage before installation.
- Follow all local laws and regulations regarding firearms and accessories.
- Keep the product out of reach of children and unauthorized individuals.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the rail.
- Do not exceed the recommended weight limit for optics mounted on the rail.
- Regularly check the rail and optics for secure attachment and signs of wear.
- Avoid exposing the rail to extreme temperatures or harsh chemicals.
- Use only compatible optics to prevent damage to the rail or the optics.
- If you notice any malfunction or unusual behavior while using the rail, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the provided Allen wrench.

2. Installation Steps

- Remove the existing top cover from your AK47 rifle.
- Align the Dog Leg Rail with the receiver, ensuring it fits securely.
- Attach the hinge base using the provided screws, ensuring a tight fit.
- Install the nut plate under the hinge base for added stability.
- Insert the hinge fork with the preinstalled takedown pin.
- Secure the hinge base pin with the retaining clip.
- Test the quick release cover to ensure it opens and closes smoothly.

3. Usage

- Mount your chosen optic onto the rail, ensuring it is securely attached.
- Adjust the optic as needed for optimal targeting.
- Utilize the quick release feature to easily detach the optic if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for recycling programs or hazardous waste disposal facilities in your area.

Contact Information for Further Support

For any questions or concerns regarding the YUGO GEN3 Dog Leg Rail, please refer to the manufacturer's website or customer service resources for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your YUGO GEN3 Dog Leg Rail for your AK47 rifle. Thank you for your attention to safety, and enjoy your shooting experience.
