

ARCHANGEL MOSSBERG 500/590/MAVERICK 88 ADJUSTABLE BUTTSTOCK - PRO MAG MAV 88 12G ADJUSTABLE BUTTSTOCK W/ 7RD SHELL CARRIER

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

The Archangel© AA50088 is an advanced tactical stock system for Mossberg© 500™ and 590™ and Maverick© 88© 12 gauge Shotguns. An ergonomic textured pistol grip with locking storage enhances weapon retention and control. A teardrop shape extension tube cheek weld shape assists in a natural sight picture with bead type or barrel mounted sights. An included cheek riser can be user installed for instant cheek alignment with raised sights or optical sight systems (sights not included). A six position collapsible buttstock with patented durometer tuning system allows shooters of all sizes to find the optimum adjustment for fit and comfort. The patented, individual tension adjustable, seven round shell carrier mounts to the left side of the receiver and won't interfere with the stroke of military length forends. A captured rubber gasket protects the finish of y shotgun where the shell carrier plate mates with the receiver. Constructed of legendary high strength, carbon fiber and glass reinforced black polymer, this rig is impervious to weather, all standard gun solvents and oils, and will withstand a lifetime of hard use. Lifetime warranty. Made in USA. Fits the Mossberg© 500© / 590© / Maverick© 88©12 gauge shotgun Molded in quick detach hard points (left and right) (QD sling swivels not included) Patented, anti-snap interchangeable insert recoil pad (soft and firm inserts included) Constructed of legendary high strength, carbon fiber and glass reinforced black polymer Six (6) position collapsible buttstock is adjustable for 11" to 14.25" Ergonomic textured pistol grip with locking storage Pistol grip provides superior weapon retention and control Detachable cheek riser for raised sights or optics (sights not included) Seven (7) round shell carrier (AA113) Weight 1.4 pounds Lifetime Warranty Made in USA

Safety Instruction Guide for ARCHANGEL MOSSBERG 500/590/MAVERICK 88 ADJUSTABLE BUTTSTOCK

Introduction

Thank you for choosing the Archangel AA50088 Adjustable Buttstock for your Mossberg 500, 590, or Maverick 88 shotgun. This guide provides important safety instructions and guidelines to ensure safe use and proper handling of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your shotgun as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until ready to shoot.
- Store the shotgun and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the buttstock and shotgun for any signs of damage or wear.
- Use the product only for its intended purpose.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the buttstock is securely attached to the shotgun before use.
- Do not attempt to modify the buttstock or its components in any way.
- Always use the buttstock with compatible models: Mossberg 500, 590, and Maverick 88 shotguns.
- Be cautious when adjusting the buttstock to avoid pinching fingers or causing injury.
- When using the cheek riser, ensure it is properly installed to maintain a secure fit.
- Avoid using the shotgun in wet or slippery conditions without appropriate precautions.
- Be mindful of the weight of the shotgun when using the adjustable buttstock, especially when fully loaded.

Instructions for Installation and Usage

1. Installation of the Buttstock:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the existing buttstock by unscrewing the retaining bolt.
- Align the Archangel AA50088 buttstock with the receiver and secure it using the provided retaining bolt.
- Tighten the bolt firmly but do not overtighten, as this may damage the receiver.

2. Adjusting the Buttstock:

- To adjust the length of the buttstock, pull the adjustment lever and slide the stock to the desired position (11" to 14.25").
- Release the lever to lock the stock in place. Ensure it is securely locked before use.

3. Installing the Cheek Riser:

- To install the cheek riser, align it with the designated slots on the buttstock.
- Press down firmly until it clicks into place. Ensure it is secure before using.

4. Using the Shell Carrier:

- The sevenround shell carrier can be mounted on the left side of the receiver.
- Ensure it is properly secured to avoid any interference with the operation of the shotgun.

5. General Usage:

- Always maintain a proper grip on the pistol grip to ensure weapon retention and control.
- Utilize the cheek weld for optimal sight alignment when aiming.
- Regularly check the adjustments and components for security and functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

For any inquiries regarding the safety of this product or to report any safety concerns, please refer to the manufacturer's contact information provided with your purchase. Always ensure that you have the latest updates on product safety and recalls.

Please remember to prioritize safety at all times while handling your shotgun and its accessories. Thank you for your attention to these important guidelines. Enjoy your shooting experience responsibly!
