Bravo Chassis Rimfire: The CZ-457 variant of the Bravo Chassis provides you with the essential chassis benefits combined with conventional target/varmint ergonomics all at a modest price. The Bravo is one of the most comfortable stocks available but that's just the beginning. The price will make you and your wallet overjoyed. The precisely machined bedding area will put your action in its happy place nearly like it was custom bedded in there. The full length stiff aluminum backbone will not allow the forend to flex on you but does allow design modularity with loads of accessories and even other KRG chassis. The ergonomic adjustments are just what you need to fit your frame so you can pull off the difficult shots. It's light. It's comfortable. It's modular. It's good looking. And it's practically free. You will love it. Utilizes factory rimfire mags (Not included).

CZ457 BRAVO CHASSIS Safety Instruction Guide

Introduction

Thank you for choosing the CZ457 BRAVO CHASSIS from Kinetic Research Group. This guide provides essential safety instructions and guidelines to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the CZ457 BRAVO CHASSIS is used only for its intended purpose, which is to support the CZ457 rifle.
- Always follow local laws and regulations regarding firearm usage and storage.
- Store the chassis and any associated equipment in a safe and secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Report any unsafe product conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Personal Safety:** Always wear appropriate safety gear when handling firearms, including eye and ear protection.
- **Handling:** Treat every firearm as if it is loaded. Always keep the muzzle pointed in a safe direction.
- **Installation:** Follow the installation instructions carefully to avoid improper assembly that could lead to accidents.
- **Modularity:** When attaching accessories, ensure that they are securely fastened to prevent them from coming loose during use.
- **Weight Considerations:** The chassis weighs 2.9 lbs. Ensure that your setup remains balanced and manageable to avoid fatigue or loss of control.
- **Age Restrictions:** This product is intended for use by individuals who are of legal age to handle firearms. Ensure that minors are supervised by a responsible adult at all times.

Instructions for Installation and Usage

1. Installation:

- Ensure that the CZ457 rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle according to the manufacturer's instructions.
- Align the CZ457 rifle action with the bedding area of the Bravo Chassis.
- Securely fasten the action into the chassis using the provided screws, ensuring a snug fit.

2. Usage:

- Adjust the chassis to fit your body frame using the ergonomic adjustments available.
- Load the rifle with factory rimfire magazines (not included).
- Practice shooting in a controlled environment to familiarize yourself with the chassis' handling and feel.
- Always maintain proper shooting posture and grip to ensure accuracy and safety.

Disposal Instructions

- Dispose of the CZ457 BRAVO CHASSIS in accordance with local regulations regarding waste disposal.
- If the chassis is no longer usable, consider recycling materials where possible.
- Ensure that any associated accessories are also disposed of properly, following safety guidelines.

Contact Information for Further Support

For any inquiries or further support regarding the CZ457 BRAVO CHASSIS, please refer to the appropriate contact points provided by the manufacturer or retailer.

By following these safety guidelines, you can ensure a safe and enjoyable experience with your CZ457 BRAVO CHASSIS. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important instructions.
