# Safety Instruction Guide for AR15 Gas Tubes

## Introduction

Thank you for choosing the AERO PRECISION GAS TUBE 11.75" MIDLENGTH FOR AR15. This stainless steel gas tube is designed for use with AR15 and AR .308 rifles. Please read this safety instruction guide carefully to ensure safe installation and usage.

## General Safety Guidelines

- Always handle firearms and their components with care.
- Ensure that you are familiar with the operation of your firearm before using this product.
- Store all firearm components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your gas tube and other firearm components for signs of wear or damage.
- Follow all local, state, and federal laws regarding firearms and their components.

## Specific Safety Precautions for Use

- Only use the gas tube with compatible AR15 and AR .308 rifle systems.
- Do not modify the gas tube or any firearm components, as this may lead to unsafe conditions.
- Ensure that the gas tube is installed correctly to prevent malfunctions or injuries.
- Wear appropriate eye protection when handling or installing the gas tube.
- Keep the firearm pointed in a safe direction at all times during installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and the chamber is clear.
- Gather the necessary tools for installation, including a roll pin punch and hammer.

### 2. Installation Steps:

- Remove the existing gas tube if applicable.
- Align the new gas tube with the gas block on your AR15 or AR .308 rifle.
- Insert the roll pin through the gas tube and gas block.
- Use the roll pin punch and hammer to gently tap the pin into place, ensuring it is secure.
- Doublecheck that the gas tube is properly aligned and secured.

### 3. Usage:

- After installation, perform a function check to ensure the gas tube is operating correctly.
- Test fire the firearm in a safe environment to confirm proper operation.
- Regularly check the gas tube for any signs of wear or damage during routine maintenance.

## Disposal Instructions

- Dispose of the gas tube in accordance with local regulations.
- Do not dispose of the gas tube in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

- For safety inquiries or further support, please refer to the manufacturer's website or contact their customer service.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your careful handling and usage of this product.
