

# RIFT SUNGLASSES - MAGPUL RIFT GLASSES BLK FRAME/BRONZE LENS W/BLUE MIRROR POLARIZED

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Glasses](#)

Bold lines and purposeful styling embody the Magpul Rift, which was designed for use at work, at home, the range, and all points in between. Its versatile frame was made specifically for the wearer who uses the same glasses for most activities. They're casual enough for virtually any situation, yet loaded with high performance features a shooter wants. The Rift's frame coverage is considerable, and its increased temple height provides substantial side protection from light and debris, making them the perfect frame for brighter days on the water or at the range. The frame is constructed of TR90NZZ and the lenses have been impact- tested and safety rated, providing you with the all-around protection your eyes need with a Z87+ ballistic rating. Generally made to fit medium and large faces, the rubber overmolded nose pads keep them securely in place no matter what you're up to. The Rift is durable and incredibly strong, yet comfortable enough to be worn all day, and it's available with both Polarized and Non-Polarized lenses. Frames constructed of TR90NZZ - combine lightweight construction and ballistic protection, providing rugged strength and flexibility Ballistic Rating: Z87+ Oleophobic lenses repel water and provide oil, sweat, sunscreen and other chemical protection Coated stainless steel pins provide simple but dependable hinge functionality Anti-slip rubber nose pads Low profile temple design maintains comfort and function while wearing hats or over the ear hearing protection Polarized and Non-Polarized lens options Medium / large fit profile

# RIFT SUNGLASSES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Magpul Rift Sunglasses. These sunglasses are designed for versatility and high performance in various environments, including work, outdoor activities, and recreational use. This safety instruction guide provides essential information to ensure safe and proper use of your sunglasses in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that your sunglasses are in good condition before use. Check for any visible damage to the frame or lenses.
- Keep sunglasses out of reach of young children to prevent accidental injuries or damage.
- Use sunglasses only for their intended purpose. They are designed to protect your eyes from light and debris during outdoor activities.
- Be cautious of extreme temperatures. Avoid leaving your sunglasses in direct sunlight or in hot environments for extended periods, as this may damage the lenses or frame.
- Report any unsafe conditions or incidents related to the use of these sunglasses to the appropriate authorities.

## Specific Safety Precautions for Use

- **Impact Resistance:** The lenses have been impact tested and safety rated with a Z87+ ballistic rating. However, they are not indestructible. Avoid situations where they may be subjected to high impact.
- **Polarized Lenses:** The polarized lenses reduce glare from reflective surfaces, making them ideal for water activities. However, be aware that they may affect visibility of certain digital screens.
- **Nose Pads:** The rubber overmolded nose pads are designed to keep the sunglasses securely in place. Ensure they are properly adjusted for comfort and stability.
- **Wearing Hats and Hearing Protection:** The low profile temple design allows for comfortable wear with hats or overtheear hearing protection. Adjust the fit accordingly to ensure optimal comfort.

## Instructions for Installation and Usage

### 1. Fitting Your Sunglasses:

- Place the sunglasses on your face and adjust the rubber nose pads for a secure fit.
- Ensure that the temples rest comfortably on your ears without pinching.

### 2. Cleaning Your Sunglasses:

- Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials that may scratch the lenses.
- For stubborn marks, rinse the lenses with lukewarm water before wiping them down.

### 3. Storing Your Sunglasses:

- When not in use, store your sunglasses in the provided case to protect them from scratches and damage.
- Avoid placing heavy objects on top of the sunglasses to prevent deformation of the frame.

## **Disposal Instructions**

- When the sunglasses reach the end of their life cycle or are no longer usable, dispose of them responsibly.
- Check local regulations for proper disposal methods for plastic and metal materials.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your Magpul Rift Sunglasses, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can enjoy your Magpul Rift Sunglasses with confidence and peace of mind. Thank you for prioritizing safety and responsible use.
