

RIFT SUNGLASSES - MAGPUL RIFT GLASSES BLK FRAME/VIOLET LENS W/GRN MIRROR POLARIZED

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Glasses](#)

Bold lines and purposeful styling embody the Magpul Rift, which was designed for use at work, at home, the range, and all points in between. Its versatile frame was made specifically for the wearer who uses the same glasses for most activities. They're casual enough for virtually any situation, yet loaded with high performance features a shooter wants. The Rift's frame coverage is considerable, and its increased temple height provides substantial side protection from light and debris, making them the perfect frame for brighter days on the water or at the range. The frame is constructed of TR90NZZ and the lenses have been impact- tested and safety rated, providing you with the all-around protection your eyes need with a Z87+ ballistic rating. Generally made to fit medium and large faces, the rubber overmolded nose pads keep them securely in place no matter what you're up to. The Rift is durable and incredibly strong, yet comfortable enough to be worn all day, and it's available with both Polarized and Non-Polarized lenses. Frames constructed of TR90NZZ - combine lightweight construction and ballistic protection, providing rugged strength and flexibility Ballistic Rating: Z87+ Oleophobic lenses repel water and provide oil, sweat, sunscreen and other chemical protection Coated stainless steel pins provide simple but dependable hinge functionality Anti-slip rubber nose pads Low profile temple design maintains comfort and function while wearing hats or over the ear hearing protection Polarized and Non-Polarized lens options Medium / large fit profile

RIFT SUNGLASSES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the RIFT SUNGLASSES by Magpul. These sunglasses are designed to provide high performance, comfort, and protection for a variety of activities. This safety instruction guide is intended to ensure your safe use of the product and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the sunglasses for damage before use. Do not use if damaged.
- Keep the sunglasses out of reach of children to prevent accidents.
- Avoid exposing the sunglasses to extreme temperatures or harsh chemicals.
- Use only the recommended cleaning methods to maintain lens quality.
- Report any accidents or unsafe product experiences to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Impact Protection:** The lenses are impact tested and safety rated (Z87+). However, they are not indestructible. Avoid high impact activities that could exceed their protective capabilities.
- **Polarized Lenses:** Polarized lenses reduce glare but may affect visibility in certain conditions. Exercise caution when using in lowlight situations.
- **Nose Pads:** The rubber overmolded nose pads are designed for comfort and security. Ensure they are properly adjusted for a secure fit.
- **Side Protection:** The increased temple height provides additional side protection from light and debris. Always ensure the sunglasses are worn correctly for optimal protection.
- **Lens Care:** Oleophobic lenses repel water and resist oils. Clean with a microfiber cloth to avoid scratches.
- **Fit Profile:** Designed for medium to large faces. Ensure a proper fit to maximize performance and comfort.

Instructions for Installation and Usage

1. Fitting the Sunglasses:

- Place the sunglasses on your face and adjust the rubber nose pads for comfort.
- Ensure the temples fit snugly against your head without causing discomfort.

2. Caring for the Sunglasses:

- Clean lenses with a microfiber cloth and lens cleaner specifically designed for eyewear.
- Store the sunglasses in a protective case when not in use to avoid scratches and damage.
- Avoid leaving the sunglasses in direct sunlight or extreme temperatures for prolonged periods.

3. Using the Sunglasses:

- Wear the sunglasses whenever you are exposed to bright sunlight or glare, especially during outdoor activities.
- Ensure the sunglasses are properly positioned on your face for optimal protection and comfort.
- If you experience any discomfort or vision issues while wearing the sunglasses, remove them immediately and consult a professional.

Disposal Instructions

- Dispose of the sunglasses responsibly.
- If the product is damaged beyond repair, recycle components where possible.
- Follow local regulations for disposal of plastic and metal materials.

Contact Information for Further Support

For any inquiries or concerns regarding the RIFT SUNGLASSES, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your RIFT SUNGLASSES responsibly!
