

# SST-ML BULLETS WITH SABOTS - 50 CAL SABOT/45 CAL 250GR LOW DRAG SST 20/BOX

[Reloading](#) > [Muzzleloading Components](#) > [Bullets](#)

The SST-ML is the best long-range muzzleloader bullet in the business. Other "easy-load" bullets often fail to properly engage the rifling which does not effectively stabilize the bullet, and as a result, accuracy suffers. But Hornady sabots fully engage the rifling to keep the SST-ML centered and sealed during firing, allowing for maximum velocity and unparalleled long range performance. Upon impact, the Flex Tip is compressed into the front of the bullet, causing the bullet to expand.

## Attributes

- Name: [50 CAL SABOT/45 CAL 250GR LOW DRAG SST 20/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 100200051
- Mfr. No.: 67273
- Caliber: 50 Caliber (.500-.501)
- Grain: 250
- Quantity: 20
- Delivery weight: 0.408kg
- Shipping height: 38mm
- Shipping width: 84mm
- Shipping length: 117mm
- UPC: 090255672732

# Safety Instruction Guide for SSTML Bullets with Sabots

## Introduction

Thank you for choosing the SSTML Bullets with Sabots. This guide provides essential safety information to ensure the safe use and handling of this product. Please read and follow these instructions carefully to minimize risks and ensure a safe shooting experience.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect the ammunition before use. Do not use any ammunition that appears damaged or corroded.
- Use appropriate safety gear, including eye and ear protection, when handling or firing ammunition.

## Specific Safety Precautions for Use

- Only use SSTML Bullets with Sabots in muzzleloaders that are designed for .50 caliber ammunition.
- Ensure that your firearm is clean and in good working condition before use.
- Follow the manufacturer's instructions for loading and firing your muzzleloader.
- Do not exceed the recommended load specifications for your firearm.
- Never point the muzzleloader at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not consume alcohol or drugs before or while using the ammunition.
- In case of a misfire, wait at least 30 seconds before attempting to clear the firearm.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Ensure the muzzleloader is pointed in a safe direction.
- Open the action and check that the firearm is unloaded.
- Insert the SSTML bullet with sabot into the muzzle of the firearm.
- Use a suitable loading tool to push the bullet down the barrel until it engages the rifling.

### 2. Firing the Ammunition:

- After loading, ensure the firearm is in a safe position.
- Take aim at your target and ensure that the area is clear of obstructions and people.
- Follow the firing procedures as outlined in your muzzleloader's manual.
- Squeeze the trigger gently to fire the bullet.

### 3. PostFiring:

- After firing, always check the firearm to ensure it is safe.
- Clean the firearm according to the manufacturer's instructions.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local authorities for proper disposal methods.
- Ensure that all spent casings and remnants are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the SSTML Bullets with Sabots, please refer to your retailer or manufacturer's website for assistance.

## **Conclusion**

Following these safety guidelines will help ensure a safe and enjoyable experience with your SSTML Bullets with Sabots. Always prioritize safety and adhere to best practices when handling and using ammunition. Thank you for your attention to these important safety instructions.
