

# CAM-LOCK PULLER - HORNADY REPLACEMENT CAM-LOCK

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

The Hornady Cam-Lock Bullet Puller is the nicest collet style puller we have used. The cam feature locks the collet around the bullet and uses your press leverage to pull the bullet. We are really impressed with the quality of this tool and smoothness of operation.

# Safety Instruction Guide for Hornady CamLock Bullet Puller

## Introduction

Thank you for choosing the Hornady CamLock Bullet Puller. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual thoroughly before using the bullet puller.

## General Safety Guidelines

- Ensure that you understand the operation of the bullet puller before use.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Keep the bullet puller out of reach of children and vulnerable individuals.
- Inspect the tool for any visible damage before use. Do not use if damaged.
- Use the bullet puller only for its intended purpose. Misuse can lead to accidents or injury.
- Be aware of your surroundings while using the tool to avoid accidents.

## Specific Safety Precautions for Use

- **Avoid Pinching:** Be cautious of fingers and other body parts when operating the camlock mechanism.
- **Proper Setup:** Ensure that the bullet puller is securely attached to your reloading press before use.
- **Bullet Compatibility:** Use the bullet puller only with compatible bullet sizes and types as specified by the manufacturer.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the bullet puller.
- **Follow Manufacturer Instructions:** Always adhere to the manufacturer's instructions for operation and maintenance.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the Hornady CamLock Bullet Puller to your reloading press according to the manufacturer's guidelines.
- Ensure that the collet is correctly positioned for the bullet you intend to pull.

### 2. Usage:

- Insert the bullet into the collet of the bullet puller.
- Engage the camlock feature to secure the bullet in place.
- Apply steady pressure on the handle of the reloading press to pull the bullet out of the cartridge case.
- Release the pressure and carefully remove the bullet from the collet.

### 3. PostUsage:

- After use, clean the bullet puller to remove any residue.
- Store the tool in a dry place, away from children and pets.

## Disposal Instructions

- Dispose of any damaged or worn parts of the bullet puller according to local regulations.
- Do not dispose of the bullet puller in household waste. Check with local authorities for proper disposal

methods.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the manufacturer's website or contact your local distributor. Always keep this manual for future reference.

By following these safety instructions, you can ensure a safe and effective experience with your Hornady CamLock Bullet Puller. Thank you for prioritizing safety while using our product.
