# DIE MAINTENANCE KIT HORNADY Safety Instructions Guide

## Introduction

Thank you for choosing the Hornady Die Maintenance Kit. This product is designed to help you maintain your new dimension dies by providing essential replacement parts. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading equipment before using this kit.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading tools and components.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect all components for signs of wear or damage before use.
- Do not use the kit for any purpose other than intended maintenance of Hornady dimension dies.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Broken or wornout parts may lead to malfunctions or accidents.
- Improper installation of replacement components can cause injury or damage to equipment.

- **Avoiding Hazards:**

- Always follow the instructions provided in this guide when replacing parts.
- Ensure that all components are securely fastened and properly aligned during installation.
- Handle replacement parts with care to avoid injury.
- Do not exceed the recommended specifications for your dies.

- **Age Specific Warnings:**

- This product is intended for use by adults only. Keep it away from children.

## Instructions for Installation and Usage

1. **Preparation:**

- Gather all necessary tools and components from the Hornady Die Maintenance Kit.
- Ensure you are working in a clean, welllit area.

2. **Replacing Parts:**

- **Spindle Rods:**

- Remove the old spindle rods from the die.
- Insert the new spindle rods into the die, ensuring they are securely in place.

- **Decapping Pins:**

- Remove the old decapping pins.
- Insert the new large decapping pins into the appropriate slots, ensuring they fit snugly.
- **Die Lock Ring:**
  - Loosen and remove the old die lock ring.
  - Install the new die lock ring and tighten it securely to hold the die in place.
- **Shellholder Retaining Rings:**
  - Remove any old retaining rings.
  - Install the new shellholder retaining rings, ensuring they are properly seated.
- **Expander:**
  - Remove the old expander.
  - Insert the new expander (Diameter = .215") into the designated area, ensuring it is securely fastened.

### 3. Final Check:

- After all parts have been replaced, doublecheck to ensure everything is properly installed and secure.
- Test the die operation in a safe manner before regular use.

## Disposal Instructions

- Dispose of any old or broken parts in accordance with local regulations.
- Do not dispose of components in general waste; check for recycling options.

## Contact Information for Further Support

For any inquiries or additional support regarding the Hornady Die Maintenance Kit, please refer to the manufacturer's contact details provided on the product packaging or visit the official Hornady website.

By following these safety instructions, you can ensure a safe and effective experience with your Hornady Die Maintenance Kit. Thank you for your attention to safety and for choosing Hornady products.
