Attach most M16/M4 style braces or stocks to your favorite AKM/AK74 rifle, including the KR-103. JMAC's M4-AKM Stock/Brace adapter is very unique in the way it mounts to the rifle! JMAC's completely replaces the factory T-Nut with JMAC's proprietary mount and is INCREDIBLY STRONG! Because it replaces the T-Nut you don't need any special adapters for the various fixed stock trunnions, if it's a square back receiver and has an AKM/AK-74 style rear trunnion it's very likely to fit! Why buy JMAC's? It's incredibly strong, machined from 7075 and hardcoat anodized, offers an optimal cheek weld for irons and red dots, has built-in QD sling points 7075 Aluminum Hardcoat Anodized 2 QD sling mounts 3/8" Cheek Rise Includes Mounting Hardware Weighs 3.4oz including mounting hardware

# M4AKM Stamped Receiver Safety Instruction Guide

## Introduction

Thank you for choosing the M4AKM Stamped Receiver by JMAC Customs. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearm modifications in your area.
- Always handle firearms with care and in accordance with standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before each use.
- If you notice any defects or issues, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the M4AKM Stamped Receiver is compatible with your AKM/AK74 rifle before installation.
- **Installation:** Only use the provided mounting hardware for installation. Do not attempt to modify the hardware or use thirdparty components.
- **Weight Limit:** Be aware of the weight limit of the stock or brace you attach to the M4AKM Stamped Receiver to avoid potential failure.
- **Sling Points:** Use the builtin QD sling points according to the manufacturer's guidelines to ensure secure attachment.
- **Inspection PostInstallation:** After installation, check the stability and fit of the adapter before using the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free from distractions.
- Gather all necessary tools and the included mounting hardware.

### 2. Remove the Factory TNut:

- Carefully disassemble the existing stock or brace from your AKM/AK74 rifle.
- Remove the factory TNut from the rear trunnion.

### 3. Install the JMAC Adapter:

- Align the JMAC M4AKM Stamped Receiver with the rear trunnion.
- Insert the proprietary mount in place of the factory TNut.
- Secure the adapter using the provided mounting hardware. Ensure all screws are tightened according to specifications.

### 4. Attach Stock or Brace:

- Attach your chosen M16/M4 style stock or brace to the JMAC adapter.
- Confirm that the stock or brace is securely fastened and properly aligned.

## 5. **Final Check:**

- Inspect the installation to ensure there are no loose components.
- Test the stability of the adapter and stock/brace before use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product reaches the end of its life cycle or becomes damaged beyond repair, follow local guidelines for the disposal of metal and plastic materials.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact their customer support. Ensure you have your product details and any relevant information available for a prompt response.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your M4AKM Stamped Receiver. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for your attention to these important details.
