Modular Rear Kalashnikov Trunnion for AKM/AK-74 THIS IS FOR THE TRUNNION ONLY, ADAPTERS SOLD SEPARATELY JMAC's Modular Rear Kalashnikov Trunnion is designed to allow the installation of 1913 rails, M4 Stocks, ACE/Stormwerks Hinges and stocks, and in the near future wood stocks from IronWoodDesigns! It Replaces your current Rear Trunnion and has adapters to allow you to use the majority of the stocks on the market!! Go ahead and stake that castle nut because you don't need to disassemble the buffer tube to swap adapters! The bolt threads into the adapter from the inside of the receiver! You can swap back and forth between stocks in under 1 min! These will be the #1 Choice for new builds as they allow you to be flexible later and not get stuck with one type of stock. Drop this in a pistol build and install pretty much ANY brace on the market or Form 1 and SBR later! Also compatible with the mighty WASR & PSA puzzle piece. Direct Replacement for "Fixed" style AKM/AK-74 Rear trunnions 4140 HT Black Nitride Does NOT include Rivets

Safety Instruction Guide for MODULAR REAR KALASHNIKOV TRUNNION ADAPTER

Introduction

Thank you for choosing the MODULAR REAR KALASHNIKOV TRUNNION ADAPTER from JMAC CUSTOMS. This product is designed to enhance the functionality of your AKM/AK74 by allowing the installation of various stocks and accessories. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience.

General Safety Guidelines

- Ensure the product is used in compliance with all applicable laws and regulations.
- Always handle firearms and firearm components responsibly and in a safe manner.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Only use the MODULAR REAR KALASHNIKOV TRUNNION ADAPTER with compatible stocks and accessories.
- Ensure that all adapters are securely installed before using the firearm.
- Do not exceed the manufacturer's weight limits for stocks and accessories.
- Always ensure the firearm is unloaded before installing or removing the trunnion adapter.
- When swapping stocks, follow the installation instructions carefully to avoid accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including appropriate wrenches and screwdrivers.

2. Installation:

- Remove the existing rear trunnion from the firearm.
- Align the MODULAR REAR KALASHNIKOV TRUNNION ADAPTER with the receiver.
- Secure the adapter using the provided bolts, ensuring they are tightened to the manufacturer's specifications.
- Install the desired stock or accessory onto the adapter, ensuring a secure fit.

3. Usage:

- Once installed, check the stability of the stock or accessory before using the firearm.
- You can easily swap stocks by loosening the bolts on the adapter and replacing with a different compatible stock.
- Always perform a function check of the firearm after any modifications.

4. Maintenance:

- Regularly clean and inspect the trunnion adapter for any signs of wear or damage.
- Lubricate moving parts as necessary to ensure smooth operation.

Disposal Instructions

- Dispose of this product in accordance with local regulations regarding firearm components.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions regarding the MODULAR REAR KALASHNIKOV TRUNNION ADAPTER, please refer to the manufacturer's website or contact their support team directly.

By following these guidelines, you can ensure the safe and effective use of your MODULAR REAR KALASHNIKOV TRUNNION ADAPTER. Thank you for prioritizing safety and responsible use.
