RAILED STOCK ADAPTER JMAC CUSTOMS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the RAILED STOCK ADAPTER by JMAC CUSTOMS. This product is designed to enhance the functionality of your AKM/AK74 rifle by allowing the installation of 1913 style stocks and braces. However, it is essential to follow safety guidelines to ensure the safe use of this product. This guide provides important safety information, installation instructions, and disposal guidelines to help you use this product safely and effectively.

General Safety Guidelines

- Always ensure that the product is compatible with your specific firearm model before installation.
- Inspect the adapter and all mounting hardware for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Keep this product out of reach of children and unauthorized users.
- Do not attempt to modify or alter the product in any way.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure the firearm is unloaded and the chamber is clear before installation.
- Use proper tools as specified in the installation instructions to avoid damaging the product or firearm.

• Usage Precautions:

- Always wear appropriate eye and ear protection when handling firearms.
- Ensure that the stock/brace is securely attached before firing the weapon.
- Do not exceed the manufacturer's recommended weight limits for stocks and braces.
- Avoid using the adapter in extreme environmental conditions (e.g., excessive heat, cold, or moisture).

• Storage Precautions:

- Store the adapter in a cool, dry place when not in use.
- Use a gun safe or lockable storage to keep firearms and accessories secure.

Instructions for Installation and Usage

1. Preparation:

- Ensure your AKM/AK74 rifle is unloaded and the chamber is clear.
- Gather all necessary tools, including a wrench and screwdriver.

2. Removal of the Stock Tang:

- Carefully remove the existing stock tang from your rifle.
- Set aside any screws or hardware that will be replaced.

3. Installation of the RAILED STOCK ADAPTER:

- Replace the factory TNut with the JMAC proprietary mount.
- Secure the adapter using the provided mounting hardware, ensuring all screws are tightened appropriately.
- Doublecheck that the adapter is firmly attached to the rifle.

4. Attaching Stocks/Braces:

- Follow the manufacturer's instructions for attaching your chosen 1913 style stock or brace to the JMAC adapter.
- Ensure all connections are secure before use.

5. Final Check:

- Perform a final inspection to ensure that the adapter and stock/brace are securely attached.
- Conduct a function check of the firearm to ensure everything is operating correctly.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- If the product is damaged or no longer usable, ensure it is securely stored until proper disposal can be arranged.
- Recycle any metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the RAILED STOCK ADAPTER, please refer to the manufacturer's website or customer service resources. Ensure that you have the product model and any relevant information available when seeking assistance.

Thank you for prioritizing safety while using the RAILED STOCK ADAPTER by JMAC CUSTOMS. Your adherence to these guidelines helps ensure a safe and enjoyable experience with your firearm.
