

# MOBIL-CHOKE 12 GAUGE SPORTING CLAYS BERETTA/BENELLI CHOKE TUBES - BERETTA .695" 12 GA. FULL

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## Tight, Consistent Patterns, Less Shot Deformation

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

## Attributes

# MOBILCHOKE 12 GAUGE SPORTING CLAYS CHOKE TUBES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MOBILCHOKE 12 Gauge Sporting Clays Choke Tubes. These choke tubes are designed for use with Beretta and Benelli shotguns. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that the choke tube is compatible with your shotgun model (Beretta or Benelli).
- Store choke tubes in a safe place, out of reach of children and unauthorized users.
- Regularly inspect choke tubes for signs of wear or damage before use.
- Use the choke tubes only with appropriate ammunition, including steel shot when specified.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Do not exceed the maximum recommended constriction of the choke tube.
- Avoid using damaged or worn choke tubes as they may cause malfunctions or accidents.
- Always ensure the firearm is unloaded when installing or removing choke tubes.
- Be cautious of potential shot deformation. The extra smooth interior surface minimizes this, but it is important to maintain proper shooting techniques.
- If you experience any unusual performance or malfunctions, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of Choke Tube:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube if applicable.
- Clean the threads of the choke tube and the barrel.
- Screw the MOBILCHOKE tube into the barrel by hand until snug. Do not overtighten.
- Use the external knurled ring for easy installation and removal.

### 2. Usage:

- Load the shotgun with the appropriate ammunition.
- Aim carefully and ensure your target is safe and within range.
- After shooting, inspect the choke tube for any signs of damage or wear.
- Clean the choke tube as needed to maintain performance.

## Disposal Instructions

- Dispose of used or damaged choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Contact local waste management for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please reach out to your local authorities or the relevant consumer safety organizations in your area.

By following these guidelines, you can help ensure a safe and enjoyable experience with your MOBILCHOKE 12 Gauge Sporting Clays Choke Tubes. Thank you for your attention to safety and responsible firearm use.
