

# REM-CHOKE 12 GAUGE SPORTING CLAYS REMINGTON CHOKE TUBES - REM-CHOKE 12 GA SKEET REMINGTON CHOKE TUBE SS

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## Tight, Consistent Patterns, Less Shot Deformation

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

## Attributes

# REMCHOKE 12 GAUGE SPORTING CLAYS CHOKE TUBES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the REMCHOKE 12 Gauge Sporting Clays Choke Tubes. These choke tubes are designed to enhance your shooting experience by providing consistent shot patterns. This safety instruction guide is designed to help you use the product safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the choke tubes with care to avoid injury.
- Ensure the firearm is unloaded before installing or removing choke tubes.
- Use choke tubes only with compatible firearms and ammunition.
- Keep choke tubes out of reach of children and unauthorized users.
- Regularly inspect choke tubes for damage or wear.
- Report any unsafe products or incidents to your local authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to firearm malfunction.
- Using incompatible ammunition can cause damage to the choke tube or firearm.
- Always ensure the choke tube is securely fastened before use.

- **Avoiding Hazards:**

- Read the firearm's manual to understand compatibility with choke tubes.
- Do not attempt to modify the choke tubes in any way.
- Ensure the choke tube is clean and free of obstructions before use.
- Never use steel shot with choke tubes that are not rated for it.

- **AgeSpecific Warnings:**

- This product is intended for adult use only. Keep out of reach of children.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is completely unloaded.
2. Remove the existing choke tube from the barrel by turning it counterclockwise.
3. Clean the threads of the barrel and the new choke tube.
4. Insert the new choke tube into the barrel and turn it clockwise until it is securely fastened.
5. Use the external knurled ring to facilitate easy installation and removal.

- **Usage:**

- Always check that the choke tube is properly installed before firing.
- Follow the manufacturer's guidelines for ammunition compatibility.
- Use the choke tube in accordance with the intended shooting discipline (e.g., sporting clays).

- Monitor the performance of the choke tube during use and discontinue use if any issues arise.

## **Disposal Instructions**

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not throw away choke tubes in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the REMCHOKE 12 Gauge Sporting Clays Choke Tubes, please refer to the product packaging for contact details. You can also check for recall updates on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and enjoyable experience with your REMCHOKE 12 Gauge Sporting Clays Choke Tubes. Thank you for your attention to safety!
