

# REM-CHOKE 12 GAUGE SPORTING CLAYS REMINGTON CHOKE TUBES - REM-CHOKE 12 GA PORTED REMINGTON CHOKE TUBE BLACK

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## Tight, Consistent Patterns, Less Shot Deformation

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

## Attributes

## REMINGTON CHOKE TUBES Safety Instructions

### Introduction

Thank you for choosing the REMCHOKE 12 Gauge Sporting Clays Remington Choke Tubes. This product is designed to enhance your shooting experience by providing consistent shot patterns and improved performance. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Ensure that you are familiar with the operation of your firearm and the specific choke tube you are using.
- Keep choke tubes and firearms out of reach of children and unauthorized users.
- Regularly inspect your choke tubes for wear and damage before each use.
- Use only compatible ammunition with your choke tubes, including steel shot where applicable.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

### Specific Safety Precautions for Use

- Ensure that the choke tube is properly installed before using your firearm.
- Do not attempt to modify or alter the choke tube in any way.
- Avoid using damaged or defective choke tubes. Replace immediately if any issues are found.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not shoot at hard surfaces or water where ricochets may occur.

### Instructions for Installation and Usage

#### 1. Installation of Choke Tube:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing choke tube if necessary, using a choke tube wrench.
- Clean the threads of the choke tube and the barrel with a soft cloth.
- Carefully screw the new choke tube into the barrel by hand until it is snug.
- Use the wrench to tighten the choke tube according to the manufacturer's specifications, being careful not to overtighten.

#### 2. Usage:

- Load your firearm according to the manufacturer's instructions.
- Ensure the choke tube is securely in place before firing.
- After usage, remove the choke tube while the firearm is unloaded and clean it as necessary.

### Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not throw choke tubes in regular household waste. Instead, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the REMCHOKE 12 Gauge Sporting Clays Remington Choke Tubes, please refer to the product packaging for contact information.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your REMCHOKE 12 Gauge Sporting Clays Remington Choke Tubes. Always prioritize safety and be aware of your surroundings while using firearms. Thank you for your attention to these important guidelines.
