

# 12GA TACTICAL BREECHER REM CHOKE CHOKE - CARLSONS TACTICAL BREECHER 12 GA REMINGTON CHOKE TUBE BLACK

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## Provides An Extra Wide Shot Pattern; Serrated Tip Aids In Door Breeching

Machined steel, extended tactical choke with large diameter bore provides extra wide patterns at close range for home defense or CQB operations. Features a serrated, saw-tooth tip that holds tight against locks and hinges to prevent the muzzle from sliding during forced entry operation. Twelve, equally spaced ports redirect combustion gases to reduce felt recoil and prevent barrel damage when used for forced entry. Knurled gripping surface makes it easy to install and remove the choke without special tools. Precision machined from 1704 stainless steel for maximum strength, then treated with a manganese phosphate finish for improved wear resistance. Models available for Remington, 12 gauge only. Can be used with lead, buckshot, hevishot, or steel shot without damage.

## Attributes

- Name: [CARLSONS TACTICAL BREECHER 12 GA REMINGTON CHOKE TUBE BLACK](#)
- Manufacturer: [CARLSONS](#)
- Product no.: 155000100

# Consumer Safety Instruction Guide for 12GA Tactical Breecher Rem Choke

## Introduction

Thank you for choosing the 12GA Tactical Breecher Rem Choke by Carlson's. This product is designed to enhance your shotgun's performance, particularly in home defense and closequarter battle (CQB) situations. This guide provides essential safety instructions and information to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is used in accordance with local laws and regulations regarding firearms and ammunition.
- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store this product and any firearms securely, out of reach of children and unauthorized users.
- Regularly inspect your shotgun and choke for wear or damage before each use.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the choke.

## Specific Safety Precautions for Use

- Only use the 12GA Tactical Breecher Rem Choke with 12 gauge shotguns.
- This choke is designed for use with lead, buckshot, hevishot, or steel shot. Do not use ammunition that is not compatible.
- Avoid using the choke for purposes other than those specified in this guide.
- Be cautious when installing or removing the choke. Ensure the shotgun is unloaded and pointed in a safe direction.
- The serrated, sawtooth tip is designed to hold tight against locks and hinges. Use caution to avoid injury during forced entry operations.
- The ports on the choke are designed to redirect combustion gases. Ensure that your hands and face are clear of the muzzle when firing.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before installation, make sure the shotgun is unloaded and pointed in a safe direction.
2. **Remove Existing Choke:** If there is an existing choke, use a choke wrench to carefully remove it.
3. **Install the Tactical Breecher Choke:**
  - Align the choke with the threads in the shotgun barrel.
  - Handtighten the choke into place.
  - Use a choke wrench to secure it firmly, but do not overtighten.
4. **Check for Proper Fit:** Ensure that the choke is snug and secure before use.

### Usage

- When using the shotgun with the Tactical Breecher Choke, ensure that you are in a safe environment and that all safety precautions are followed.
- Aim carefully and be aware of your target and what lies beyond it.
- After use, remove the choke and clean it according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal sites for metal items.

## Contact Information for Further Support

For any inquiries or concerns regarding the 12GA Tactical Breecher Rem Choke, please refer to the product packaging for contact information or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your 12GA Tactical Breecher Rem Choke. Thank you for your attention to safety and responsible usage.
