# Safety Instruction Guide for 1911 Beavertail Grip Safety Caspian Grip Safety

## Introduction

Thank you for choosing the 1911 Beavertail Grip Safety Caspian Grip Safety. This product is designed to enhance the safety and performance of your 1911 Auto firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure you are familiar with the operation of your firearm before installation or use.
- Always treat every firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and parts securely and out of reach of children.
- Regularly inspect your firearm and its components for wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall information via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible parts for your specific 1911 model (Government, Commander, Officers).
- Ensure that all parts are properly installed according to the instructions provided.
- Avoid using the firearm in wet or damp conditions to prevent rust and corrosion.
- Do not modify or alter the safety mechanism without professional assistance.
- Always wear appropriate eye and ear protection when firing your weapon.
- Ensure that the grip safety is functioning correctly before use.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

### 2. Installation Steps

- Remove the existing grip safety from your 1911 Auto by following these steps:
  - Unscrew the grip panels.
  - Carefully detach the old grip safety.
- Install the new Caspian Grip Safety:
  - Align the new grip safety with the frame of the firearm.
  - Securely fasten the grip safety in place.
  - Reattach the grip panels and ensure they are tight.

### 3. Usage Instructions

- Confirm that the grip safety engages when the firearm is held properly.
- Practice safe handling and shooting techniques at a designated range.
- Regularly check the functionality of the grip safety before each use.

## **Disposal Instructions**

- Dispose of any damaged or nonfunctional parts in accordance with local regulations.
- Ensure that all firearm components are disposed of safely to prevent unauthorized use.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation, usage, or safety of your 1911 Beavertail Grip Safety, please contact the manufacturer or a qualified gunsmith for assistance.

Thank you for prioritizing safety and compliance while using your 1911 Beavertail Grip Safety Caspian Grip Safety. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
