

COATED RODS - DEWEY 17 CALIBER 7" 5-40F COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

COATED RODS DEWEY 17 CALIBER 7" 540F

COATED ROD Safety Instruction Guide

Introduction

Thank you for choosing the COATED RODS DEWEY 17 CALIBER 7" 540F COATED ROD. This product is designed to provide safe and effective cleaning for your firearms. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the coated rod according to the manufacturer's instructions.
- Ensure that the rod is suitable for your specific firearm caliber.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the rod for signs of wear or damage before use.
- Do not use the rod if it is damaged or if the nylon coating is peeling.
- Always wear appropriate personal protective equipment (PPE) when cleaning firearms.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before using the cleaning rod.
- Use the rod only in a wellventilated area to avoid inhalation of any cleaning solvents.
- Avoid using excessive force when cleaning to prevent damage to the firearm or rod.
- Do not attempt to clean a firearm with a blocked barrel using this rod.
- Follow the manufacturer's recommendations for cleaning solvents and patches.
- Use the adapter provided for standard 832 male thread brushes and accessories, except for .17 and .20 caliber rods.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary cleaning supplies including the cleaning rod, patches, and cleaning solvent.

2. Using the Cleaning Rod:

- Attach the appropriate adapter to the cleaning rod if needed.
- Insert the rod into the barrel from the breech or muzzle end, depending on the firearm type.
- Use a smooth, steady motion to push the rod through the barrel; do not force it.
- If using a patch, either wrap it around the Dewey Jag or place it over the end.
- After cleaning, remove the rod and inspect it for any damage.

3. PostCleaning:

- Clean the rod with a suitable solvent to remove any residue.
- Store the rod in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any used cleaning patches and solvents according to local regulations.
- Do not throw the cleaning rod in regular household waste if it is damaged; check local guidelines for

proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact your local EU consumer safety authority. Check the EU's Safety Gate platform for updates on product recalls and safety notifications.

By following these guidelines, you can ensure safe and effective use of the COATED RODS DEWEY 17 CALIBER 7" 540F COATED ROD. Thank you for prioritizing safety and compliance with EU regulations.
