

COATED RODS - 20 CALIBER 25" 5-40F COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

COATED RODS 20 CALIBER 25" 540F COATED ROD

Safety Instructions

Introduction

Thank you for choosing the COATED RODS 20 CALIBER 25" 540F COATED ROD. This product is designed for safe and effective cleaning of firearms. Please read and follow these safety instructions carefully to ensure proper use and to minimize any risks associated with this product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using this cleaning rod.
- Keep the cleaning rod out of reach of children and pets.
- Use the cleaning rod only for its intended purpose as specified in the product description.
- Inspect the cleaning rod before each use for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the cleaning and handling of firearms.

Specific Safety Precautions for Use

- The nylon coating on the rod is designed to protect the rifling of your firearm. Avoid using the rod with excessive force to prevent damage to the barrel.
- Ensure that the adapter is securely attached before using the cleaning rod with brushes or accessories.
- Use only brushes and accessories that are compatible with the rod's 832 male thread or 540 female thread.
- Do not use the cleaning rod in a manner that could cause injury to yourself or others.
- Always wear safety glasses when cleaning firearms to protect your eyes from debris.

Instructions for Installation and Usage

1. **Preparation:** Ensure that the firearm is unloaded. Remove any ammunition from the area.
2. **Adapter Installation:**
 - Attach the provided adapter to the cleaning rod if you are using standard 832 male thread brushes.
 - For .17 and 20 caliber rods, ensure the 540 female thread is used.
3. **Using the Cleaning Rod:**
 - Insert the cleaning rod into the barrel from the breech or muzzle end, depending on your firearm's design.
 - Attach the appropriate brush or accessory to the rod.
 - Gently push the rod through the barrel, using a smooth, steady motion. Avoid forcing the rod.
 - After cleaning, remove the brush or accessory and clean the rod with a soft cloth.
4. **PostUse:** Store the cleaning rod in a safe place, away from children and pets.

Disposal Instructions

- Dispose of any damaged or worn parts of the cleaning rod in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please consult the manufacturer's website or customer support resources. Always ensure that you are following the latest safety guidelines and product updates.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority.
