

# COPPER ELIMINATOR FEMALE-THREAD JAGS - DEWEY .30/8MM 12-28 THREAD FEMALE JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## All-Aluminum Components Eliminate "False-Positive Copper Fouling Indications"

Cleaning jags have machined aluminum components that don't react with ammonia-based solvents like brass parts sometimes do. Won't produce blue-green stains on your patches that can be misinterpreted as "false positive" indications of copper fouling, so you'll know when your bore really is copper-free. Similar in hardness to brass, Copper Eliminator parts won't scratch the bore or damage the muzzle, and they'll stand up to hard use. Female-threaded aluminum jags fit standard Dewey nylon-coated rods to extend some of the Copper Eliminator system's benefits to your existing rod.

## Attributes

- Name: [DEWEY .30/8MM 12-28 THREAD FEMALE JAG](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234000099
- Mfr. No.: 30JA
- Caliber: 30 Caliber, 7mm, 8mm
- Delivery weight: 0.005kg
- Shipping width: 57mm
- Shipping length: 89mm
- UPC: 608060000192

# Safety Instruction Guide for COPPER ELIMINATOR FEMALETHREAD JAGS DEWEY .30/8MM 1228 THREAD FEMALE JAG

## Introduction

Thank you for choosing the COPPER ELIMINATOR FEMALETHREAD JAGS DEWEY .30/8MM 1228 THREAD FEMALE JAG. This product is designed to assist in cleaning your firearm effectively while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this cleaning jag by following all instructions provided. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Verify that the product meets all safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used around vulnerable groups, such as children. Keep the product out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the manufacturer or retailer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate platform. Regularly check for any recall updates.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the product instructions before use.
- **Inspect the Product:** Before using the cleaning jag, inspect it for any signs of damage or wear. Do not use if damaged.
- **Use Properly:** Ensure that the jag is used only with compatible Dewey nyloncoated rods. Using it with incorrect equipment may lead to injury or damage.
- **Avoid AmmoniaBased Solvents:** While this product is designed to prevent reactions with ammoniabased solvents, always use cleaning solutions as recommended.
- **Wear Safety Gear:** It is advisable to wear safety glasses and gloves while cleaning firearms to protect against potential splashes or debris.
- **Keep Away from Children:** Store the cleaning jag in a secure location, out of reach of children.
- **Follow Local Laws:** Ensure compliance with local laws regarding firearm cleaning and maintenance.

## Instructions for Installation and Usage

### 1. Installation of the Jag:

- Ensure that the Dewey nyloncoated rod is clean and free from any debris.
- Align the femalethreaded end of the Copper Eliminator jag with the malethreaded end of the Dewey rod.
- Gently screw the jag onto the rod until it is securely attached. Do not overtighten.

### 2. Using the Jag:

- Apply a suitable cleaning solvent to the patch or cloth.

- Insert the patch into the jag, ensuring it is securely held.
- Insert the jag into the bore of the firearm carefully.
- Move the jag back and forth gently to clean the bore. Avoid excessive force that may damage the bore.
- After cleaning, remove the jag and patch from the bore.
- Inspect the bore to ensure it is free of any debris or cleaning solvent.

### 3. **PostUse Care:**

- Clean the jag after each use to remove any residue.
- Store the jag in a dry place to prevent corrosion or damage.

## **Disposal Instructions**

- Dispose of any cleaning patches, solvents, or materials used during the cleaning process according to local regulations.
- The Copper Eliminator jag can be recycled as it is made from aluminum. Check with your local recycling program for specifics on recycling aluminum products.

## **Contact Information for Further Support**

For any questions or concerns regarding the usage or safety of the COPPER ELIMINATOR FEMALETHREAD JAGS DEWEY .30/8MM 1228 THREAD FEMALE JAG, please refer to the manufacturer's contact information or the retailer from whom you purchased the product.
