

COATED RODS - DEWEY 17 CALIBER 26" 5-40F COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

Attributes

Safety Instruction Guide for COATED RODS

DEWEY 17 CALIBER 26" 540F COATED ROD

Introduction

Thank you for choosing the COATED RODS DEWEY 17 CALIBER 26" 540F COATED ROD. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read it carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use protective eyewear when handling or using the rod.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The nylon coating is designed to protect the barrel but can be damaged if misused.
- Avoid using excessive force when cleaning to prevent damage to the rod or firearm.

- **Instructions for Avoiding Hazards:**

- Always ensure that the firearm is unloaded before cleaning.
- Use the adapter provided for brushes and accessories to avoid compatibility issues.
- Do not attempt to modify the product or use it with incompatible accessories.
- When using the extralong Dewey Jag, ensure it is securely attached to the rod before use.

Instructions for Installation and Usage

- **Installation:**

- Attach the adapter to the rod if using standard brushes or accessories.
- Ensure that the adapter is securely fastened.

- **Usage:**

- Insert the rod into the barrel carefully, ensuring that it aligns with the rifling.
- Use a gentle, smooth motion to clean the barrel; avoid twisting or excessive force.
- After cleaning, remove the rod and inspect it for any signs of wear or damage.

- **PostUse Care:**

- Clean the rod according to the manufacturer's recommendations.
- Store the rod in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste if it is damaged or contains hazardous materials.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the COATED RODS DEWEY 17 CALIBER 26" 540F COATED ROD, please reach out to the appropriate contact point as indicated on the product packaging.

This safety instruction guide is designed to ensure your safety and the proper use of the COATED RODS DEWEY 17 CALIBER 26" 540F COATED ROD. Always prioritize safety and follow the guidelines provided. Thank you for your attention to these important safety measures.
