

COATED RODS - DEWEY 22-26 CALIBER 36" 8-36M COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

COATED RODS DEWEY 2226 CALIBER 36" 836M COATED ROD Safety Instructions

Introduction

Thank you for choosing the COATED RODS DEWEY 2226 CALIBER 36" 836M COATED ROD. This product is designed to provide a safe and effective means of cleaning your firearms. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle cleaning rods and firearms with care to prevent accidents.
- Ensure that the rod is compatible with your specific firearm caliber.
- Inspect the rod for any signs of damage or wear before each use.
- Keep the cleaning rod and accessories out of reach of children.
- Use the product only for its intended purpose.
- Store the cleaning rod in a safe, dry place when not in use.

Specific Safety Precautions for Use

- Use a breech or muzzle bore guide to prevent damage to the firearm's rifling.
- Ensure that the cleaning area is wellventilated and free from flammable materials.
- Do not use the cleaning rod if it is bent, cracked, or damaged in any way.
- When using brushes or jags, ensure they are securely attached to the rod to prevent accidents.
- Follow the manufacturer's recommendations for cleaning solutions and materials.
- If you experience any difficulties or concerns while using the rod, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary cleaning supplies, including the COATED RODS DEWEY cleaning rod, brushes, jags, and cleaning solution.
- Ensure your firearm is unloaded and in a safe condition before beginning the cleaning process.

2. Attaching Brushes and Accessories

- Use the provided adapter to attach standard 832 male thread brushes and accessories (Note: 17C and 20C series rods do not include brush adapters).
- Ensure that the brush or jag is securely fastened to the rod's male thread.

3. Cleaning Procedure

- Insert the cleaning rod into the barrel of the firearm, taking care not to scratch the rifling.
- Gently push and pull the rod through the barrel, applying cleaning solution as needed.
- For the Dewey Jag, patches can be wrapped around or placed over the end before insertion.
- Repeat the cleaning process until the barrel is clean.

4. PostCleaning Care

- After cleaning, remove the rod and accessories from the firearm.
- Wipe down the cleaning rod and store it in a safe, dry location.

- Dispose of used patches and cleaning materials in accordance with local regulations.

Disposal Instructions

- Dispose of the COATED RODS DEWEY cleaning rod according to local waste management regulations.
- Do not dispose of the rod in regular household waste if it is damaged or poses a safety risk.
- If the product is no longer usable, consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the COATED RODS DEWEY 2226 CALIBER 36" 836M COATED ROD, please refer to the manufacturer's contact information provided with your product or visit their official website.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your COATED RODS DEWEY cleaning rod. Always prioritize safety and proper handling to maintain the integrity of your firearm and the cleaning equipment. Thank you for your attention to these important safety guidelines.
