

# COATED RODS - DEWEY 27-34 CALIBER 12" 12-28M COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

# COATED RODS DEWEY 2734 CALIBER 12" 1228M COATED ROD Safety Instruction Guide

## Introduction

Thank you for choosing the COATED RODS DEWEY 2734 CALIBER 12" 1228M COATED ROD. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the product and keep it for future reference.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the coated rod before each use for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid using the product near flammable materials or in hazardous environments.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the rod is compatible with the caliber of your firearm before use.
- Do not exceed the recommended length and specifications for your firearm.
- Use the rod only for its intended purpose of cleaning and maintaining firearms.
- Avoid applying excessive force while using the rod to prevent damage to both the rod and the firearm.
- Always use the appropriate bore guide to prevent damage to the firearm's barrel.
- Wear protective eyewear when using the rod to prevent injury from debris.
- Do not use the product if you notice any defects or irregularities in its operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including brushes and patches.

### 2. Attaching the Adapter:

- If using brushes or accessories, attach the appropriate adapter for standard 832 male thread.
- Note: 17C and 20C series rods do not include a brush adapter.

### 3. Using the Rod:

- Insert the coated rod into the barrel of the firearm.
- Use a smooth turning motion to push the rod through the barrel.
- For best results, apply a cleaning solvent to the patch before use.

### 4. Removing the Rod:

- Once cleaning is complete, carefully remove the rod from the barrel.
- Clean the rod after each use to maintain its condition.

### 5. Storage:

- Store the coated rod in a dry, cool place to prevent damage.

- Keep the rod in its original packaging or a protective case when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for waste disposal.
- Do not dispose of the product in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options if available.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the COATED RODS DEWEY 2734 CALIBER 12" 1228M COATED ROD, please refer to the manufacturer's contact points as provided in the product packaging or documentation.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
