

COATED RODS - DEWEY 27-34 CALIBER 36" 12-28M COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

COATED RODS DEWEY 2734 CALIBER 36" 1228M COATED ROD Safety Instructions

Introduction

Thank you for choosing the COATED RODS DEWEY 2734 CALIBER 36" 1228M COATED ROD. This product is designed for safe and effective use in cleaning rifle barrels. Please read this safety instruction guide carefully to ensure proper handling, usage, and disposal of the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Be aware of the potential hazards associated with using cleaning rods, including the risk of injury or damage to firearms if not used correctly.
- Always store the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety alerts on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the cleaning rod, inspect it for any signs of damage or wear. Do not use if damaged.
- Always use the cleaning rod in accordance with the manufacturer's instructions.
- Use only the recommended brushes and accessories that fit the 832 male thread.
- Avoid using the cleaning rod with .17 and .20 caliber rods as they have a different thread size (540 female).
- When cleaning, ensure that the rod is properly aligned with the barrel to prevent scratching or damaging the rifling.
- Use a breech or muzzle bore guide to enhance safety and prevent accidents.
- Do not apply excessive force while cleaning as this may damage the rod or the firearm.
- Keep the cleaning area wellventilated and free from flammable materials.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary cleaning supplies including the COATED ROD, brushes, patches, and bore guide.
- Ensure that the firearm is unloaded and in a safe condition before beginning the cleaning process.

2. Attaching the Brush or Accessory

- Take the Dewey Jag and attach it to the rod's male thread.
- Use a patch either wrapped around or over the end of the jag for effective cleaning.

3. Cleaning Procedure

- Insert the rod into the barrel from the breech or muzzle, depending on the firearm design.
- Gently push the rod through the barrel, ensuring it is straight and aligned.
- Pull the rod back out carefully, repeating as necessary until the barrel is clean.
- After cleaning, remove the brush or jag and clean the rod with a cloth to remove any residue.

4. Storage

- Store the cleaning rod in a safe, dry place away from children and pets.

- Ensure that all components are stored together to prevent loss or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines for nylon and plastic materials.
- Do not dispose of the product in household waste if local regulations require special disposal methods.
- Check with local waste management authorities for specific disposal instructions.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product issues, please contact the manufacturer's customer support. Ensure that you have the product details and any relevant information ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your COATED RODS DEWEY 2734 CALIBER 36" 1228M COATED ROD. Thank you for prioritizing safety and compliance with EU regulations.
