RCBS CT Pilot .41 Cal Safety Instruction Guide

Introduction

Thank you for choosing the RCBS CT Pilot .41 Cal. This product is designed to assist in trimming cases for reloading ammunition. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information regarding safe operation, handling, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the instruction manual before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Ensure a stable work surface when using the trimmer to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while operating the product.
- Be aware of your surroundings and ensure that no one is in the immediate vicinity while using the trimmer.
- Follow all local regulations regarding the handling and disposal of ammunition components.

Specific Safety Precautions for Use

- Ensure that the trimmer is securely attached to the work surface before use.
- Do not exceed the manufacturer's recommended specifications for trimming.
- Avoid wearing loose clothing or jewelry that could become caught in the machinery.
- Always keep hands and fingers clear of the cutting area during operation.
- If the trimmer makes unusual noises or shows signs of malfunction, stop using it immediately and seek assistance.
- Do not attempt to modify or repair the trimmer yourself. Contact a qualified technician for repairs.
- Store the trimmer in a dry, cool place when not in use to prevent rust and damage.

Instructions for Installation and Usage

1. Installation

- Place the RCBS CT Pilot .41 Cal trimmer on a stable, flat surface.
- Secure the trimmer using clamps or screws as needed to prevent movement during operation.
- Ensure that the area is welllit and free from clutter.

2. Usage

- Before starting, ensure that the trimmer is clean and free from debris.
- Insert the case you wish to trim into the trimmer, ensuring it is properly aligned.
- Turn on the trimmer and allow it to reach full speed before beginning to trim.
- Gradually feed the case into the cutting area, applying steady pressure.
- Once the trimming is complete, turn off the trimmer and remove the case.
- Clean the trimmer after each use to maintain its performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in household waste.
- If the product is no longer functional, consider recycling options in your area.

Contact Information for Further Support

For any safety inquiries or support regarding the RCBS CT Pilot .41 Cal, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you contribute to a safer environment for yourself and others while using the RCBS CT Pilot .41 Cal. Thank you for your attention to safety!
