

# ULTRA-FIT EAR PLUGS - 3M COMPANY ULTRA-FIT EARPLUGS, 1 PR.

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Plugs](#)

## Triple Flange Protection, Comfortable, Fully Washable

Comfortable, easy-to-carry ear plugs protect your ears from the harmful effects of loud noise. Molded from safe, washable, non-irritating polymer rubber. The exclusive, triple-flange design is ultra-thin at the edges to form a perfect seal in any size ear canal so one size fits all. Convenient, stay-together cord lets you hang 'em around your neck when not in use.

# ULTRAFIT EAR PLUGS Safety Instruction Guide

## Introduction

Thank you for choosing ULTRAFIT EAR PLUGS from 3M Company. These ear plugs are designed to provide comfort and effective protection against harmful noise levels. This safety instruction guide outlines essential safety information, usage instructions, and disposal guidelines to ensure your safety and satisfaction.

## General Safety Guidelines

- Always ensure that ear plugs are suitable for your ear size to achieve the best fit and noise reduction.
- Inspect ear plugs before each use. Discard any ear plugs that are damaged or worn out.
- Keep ear plugs away from children and pets to prevent choking hazards.
- Avoid using ear plugs in environments where hearing is critical, such as when driving or operating machinery.
- Ensure that you are aware of your surroundings when wearing ear plugs, as they may reduce your ability to hear important sounds.

## Specific Safety Precautions for Use

- **Age Restrictions:** These ear plugs are not recommended for children under 12 years old without adult supervision.
- **Hygiene:** Clean the ear plugs regularly with mild soap and water. Allow them to dry completely before reuse.
- **Allergic Reactions:** If you experience any irritation or allergic reaction while using the ear plugs, discontinue use immediately and consult a healthcare professional.
- **Storage:** Store ear plugs in a cool, dry place when not in use. Use the carrying case provided to protect them from dirt and damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Wash your hands before handling the ear plugs to maintain hygiene.
- Ensure that the ear plugs are clean and free from debris.

### 2. Inserting the Ear Plugs:

- Hold the ear plug by the stem, and gently pull the top of your ear upward with the opposite hand to open the ear canal.
- Insert the ear plug into the ear canal, ensuring a snug fit. The tripleflange design helps to create an effective seal.
- Repeat the process for the other ear.

### 3. Removing the Ear Plugs:

- Grasp the ear plug gently and twist it slightly to break the seal.
- Pull it out slowly and carefully to avoid discomfort.

### 4. Using the StayTogether Cord:

- Use the provided cord to hang the ear plugs around your neck when not in use. This prevents loss and keeps them accessible.

## **Disposal Instructions**

- Dispose of used ear plugs in accordance with local waste management regulations.
- Do not flush ear plugs down the toilet as they can cause plumbing issues.
- Consider recycling options available in your area for nonhazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or product concerns, please contact the EUbased support center provided on the product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of ULTRAFIT EAR PLUGS. For ongoing safety updates, please check the EU's Safety Gate platform for any recalls or safety alerts related to this product. Thank you for prioritizing your hearing health and safety.
