

ULTRA-FIT EAR PLUGS - 3M COMPANY ULTRA-FIT EARPLUGS, 10 PAK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Plugs](#)

Triple Flange Protection, Comfortable, Fully Washable

Comfortable, easy-to-carry ear plugs protect your ears from the harmful effects of loud noise. Molded from safe, washable, non-irritating polymer rubber. The exclusive, triple-flange design is ultra-thin at the edges to form a perfect seal in any size ear canal so one size fits all. Convenient, stay-together cord lets you hang 'em around your neck when not in use.

ULTRAFIT EAR PLUGS Safety Instruction Guide

Introduction

Thank you for choosing the ULTRAFIT EAR PLUGS by 3M COMPANY. These ear plugs are designed to provide comfort and protection against loud noise. This guide contains important safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and follow the instructions provided with the product.
- Ensure that the ear plugs are suitable for your needs and fit comfortably.
- Keep ear plugs out of reach of children and pets.
- Regularly check the condition of the ear plugs; replace them if they show signs of wear or damage.
- Do not use ear plugs if you have any ear infections or irritations.
- If you experience discomfort or irritation while using the ear plugs, discontinue use immediately.

Specific Safety Precautions for Use

- Ensure that your hands are clean before handling the ear plugs.
- Avoid inserting the ear plugs too deeply into the ear canal.
- Do not share ear plugs with others to prevent the spread of infections.
- Be cautious when using ear plugs in combination with other hearing protection devices.
- If you have a history of ear problems, consult a healthcare professional before use.

Instructions for Installation and Usage

- To use the ULTRAFIT EAR PLUGS:
 1. **Prepare the ear plugs:** Remove the ear plugs from the carrying case and ensure they are clean.
 2. **Insert the ear plugs:**
 - Hold the ear plug between your thumb and index finger.
 - With the opposite hand, pull back on your ear to straighten the ear canal.
 - Gently insert the ear plug into the ear canal and release your grip to allow it to expand and form a seal.
 3. **Check the fit:** Ensure that the ear plug is snug and comfortable. You should not feel any pain or excessive pressure.
 4. **Remove the ear plugs:** To remove, gently twist the ear plug while pulling it out of the ear canal.
- Store the ear plugs in the carrying case when not in use to keep them clean and protected.

Disposal Instructions

- Dispose of used or damaged ear plugs in accordance with local waste disposal regulations.
- Do not throw ear plugs in the recycling bin unless specified by local guidelines.
- If the ear plugs are made of materials that can be recycled, follow local recycling instructions.

Contact Information for Further Support

For safety inquiries or additional support regarding the ULTRAFIT EAR PLUGS, please refer to the contact information provided on the packaging or the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the effective use of your ULTRAFIT EAR PLUGS while maintaining your safety and wellbeing. Stay informed about product recalls and safety updates through the EU's

Safety Gate platform. Thank you for prioritizing your hearing protection.
