

4 CALIBER CHAMBER CHECKER - EGW 4 CALIBER CHECKER (9MM, .40 S&W, .45 ACP & 38 SUPER)

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Helps Prevent Jams By Making Sure Each Round Meets Specs Before Shooting

Make sure all your ammo is in spec before you shoot that critical match. One tool lets you check four popular calibers used in practical shooting matches: 9mm, .38 Super, .40 S&W, and .45 ACP. Helps you avoid jams, misfires, feeding problems, and other malfunctions caused by out-of-spec ammo that can cost you precious points—or the whole match. Machined aluminum with check holes precision bored using the same high-quality Clymer reamers.

Safety Instruction Guide for 4 Caliber Chamber Checker EGW

Introduction

Thank you for choosing the 4 Caliber Chamber Checker by EGW. This tool is designed to ensure that your ammunition is within specifications before participating in practical shooting matches. Proper use of this product can help prevent jams, misfires, and other malfunctions, thereby enhancing your shooting experience and performance.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the Chamber Checker for any signs of damage or wear before use.
- Keep the Chamber Checker out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the Chamber Checker only for the specified calibers: 9mm, .40 S&W, .45 ACP, and .38 Super.
- Do not attempt to use the Chamber Checker with ammunition that is not listed in the specifications.
- Always handle ammunition with care, treating all ammunition as if it is live.
- Ensure that the firearm is unloaded before using the Chamber Checker.
- Avoid using the Chamber Checker in wet or damp environments to prevent corrosion.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather the ammunition you intend to check.

2. Using the Chamber Checker:

- Insert the ammunition into the appropriate hole of the Chamber Checker.
- Ensure that the round is seated correctly within the hole.
- Check for proper fit; the round should fit snugly without excessive force.
- If the round does not fit properly, do not use it. Discard or mark it for further inspection.

3. Post Use:

- After checking your ammunition, clean the Chamber Checker with a dry cloth to remove any debris.
- Store the Chamber Checker in a safe, dry place away from children.

Disposal Instructions

- Dispose of the Chamber Checker responsibly at the end of its useful life.
- Follow local regulations for the disposal of aluminum products.
- Do not dispose of the Chamber Checker in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the 4 Caliber Chamber Checker, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for your attention to these safety guidelines. Safe shooting!
