

# 7-HOLE CHAMBER CHECKERS - EGW .357 MAGNUM 7-HOLE CARTRIDGE CHECKER

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Chamber Checkers help you avoid jams, misfires, feeding problems, and other malfunctions caused by out-of-spec ammo. Use with factory loaded ammunition as well as reloaded ammo prior to shooting to verify your ammunition is within SPEC. These 7-Hole checkers are machined from solid 6061 T6 aircraft grade aluminum and uses actual Clymer reamers to ensure the ammo matches your chamber. Measures minimum case diameter as well as maximum overall length. Anodized Matte Black.

# Safety Instruction Guide for 7Hole Chamber Checkers EGW .357 Magnum

## Introduction

Thank you for choosing the 7Hole Chamber Checkers by EGW. This product is designed to help you verify that your ammunition is within specifications, ensuring safe and reliable operation of your firearm. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before using the chamber checker.
- Keep the chamber checker out of reach of children and unauthorized users.
- Inspect the chamber checker for damage before each use. Do not use if damaged.
- Use only with factoryloaded ammunition and properly reloaded ammo.
- Follow all local laws and regulations regarding firearms and ammunition.

## Specific Safety Precautions for Use

- Ensure that the 7Hole Chamber Checker is compatible with .357 Magnum cartridges.
- Verify that the ammunition fits properly in the checker before attempting to load it into your firearm.
- Do not force any cartridge into the chamber checker; doing so may cause damage.
- Always handle ammunition with care to prevent accidental discharge.
- Be aware of your surroundings and ensure you are in a safe environment when using the chamber checker.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather your .357 Magnum ammunition for testing.

### 2. Using the Chamber Checker:

- Take the 7Hole Chamber Checker and hold it in one hand.
- Insert a .357 Magnum cartridge into one of the holes in the checker.
- Check that the cartridge fits snugly and does not wobble.
- Repeat this process for each hole in the chamber checker to verify all cartridges.

### 3. After Testing:

- Once testing is complete, remove all cartridges from the chamber checker.
- Store the chamber checker in a safe location, away from children and unauthorized users.

## Disposal Instructions

- Dispose of the 7Hole Chamber Checker in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer usable.
- Contact your local recycling center for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 7Hole Chamber Checkers, please consult the manufacturer's website or customer service resources for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the 7Hole Chamber Checkers responsibly.
