

BROWNING BAR/BLR LONG ACTION SCOPE BASES - EGW

BROWNING BAR/BLR LA 1-PIECE PICATINNY BASE 20 MOA BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Browning BAR/BLR Long Action Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to $\pm .002$ ". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

Safety Instruction Guide for EGW Browning BAR/BLR Long Action Scope Bases

Introduction

Thank you for choosing the EGW Browning BAR/BLR Long Action Scope Bases. This product is designed to enhance the versatility of your shotgun by providing a onepiece Picatinny scope rail, allowing for easy adjustments and mounting of scopes without the need for drilling or tapping. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the scope bases.
- Use the scope bases only for the intended purpose as specified by the manufacturer.
- Regularly inspect the scope bases for any signs of wear, damage, or loosening.
- Follow all local laws and regulations regarding firearm modifications and use.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues or concerns regarding the product, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the mounting surface of the firearm is clean and free of debris before installation.
- Do not exceed the recommended torque of 20 inch lbs when securing the scope bases to avoid damage.
- Use blue Loctite as recommended to secure the screws and prevent loosening during use.
- When adjusting the scope, ensure that your hands are dry and clean to maintain a secure grip.
- If using Picatinny or Weaver scope rings, ensure they are compatible with the scope bases and properly secured.

Instructions for Installation and Usage

1. Installation

- Gather all necessary tools, including a socket head Torx® wrench.
- Ensure that the firearm is unloaded and pointed in a safe direction.
- Locate the factory scope mount holes on the receiver of the firearm.
- Align the EGW Browning BAR/BLR Long Action Scope Bases with the mount holes.
- Insert the Torx® screws into the holes and handtighten them.
- Using the Torx® wrench, tighten the screws to a torque of 20 inch lbs.
- Apply a small drop of blue Loctite to each screw to secure them in place.

2. Usage

- After installation, carefully mount your chosen scope onto the Picatinny rail.
- Adjust the scope to achieve the desired eye relief and alignment.
- Secure the scope rings according to the manufacturer's instructions.
- Regularly check the tightness of the screws and scope rings after use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum materials.
- If the product is no longer usable, consider recycling the aluminum components.

Contact Information for Further Support

For any questions or concerns regarding the EGW Browning BAR/BLR Long Action Scope Bases, please refer to the manufacturer's website or contact their customer support for assistance. Always keep the product information and purchase details handy for reference.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your EGW Browning BAR/BLR Long Action Scope Bases. Thank you for your attention to safety and proper usage.
