Introduction

Thank you for choosing the TRIGGER BENELLI U.S.A. TRIGGER. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the trigger. Compliance with safety guidelines will help prevent accidents and ensure a safe experience.

General Safety Guidelines

- Always treat your trigger as if it is loaded.
- Keep the trigger pointed in a safe direction at all times.
- Ensure that the trigger is in a safe condition when not in use.
- Store the trigger in a secure location away from unauthorized users.
- Regularly inspect your trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of triggers.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Make sure you are trained:** Only use the trigger if you have received proper training.
- **Use appropriate protective gear:** Always wear eye protection and hearing protection when using the trigger.
- **Avoid distractions:** Do not use the trigger while under the influence of drugs or alcohol, or when fatigued.
- **Supervise vulnerable individuals:** Ensure that children and inexperienced users are supervised when around the trigger.
- **Check the environment:** Ensure you are in a safe location, free from people and obstacles, before using the trigger.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Follow the manufacturer's instructions for proper installation of the trigger.
- Secure all components tightly to prevent any movement during use.

2. Usage:

- Familiarize yourself with the trigger's operation before use.
- Always check the trigger for proper function before each use.
- Use the trigger only with compatible firearms as specified by the manufacturer.
- Follow all handling and firing procedures recommended by the firearm manufacturer.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations.
- If the trigger is damaged or no longer functional, do not attempt to repair it; dispose of it safely.
- Contact your local waste management facility for guidance on safe disposal methods.
