

# SLING THING, RAIL MOUNT - GG&G SLING THING, RAIL MOUNT

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Low-profile, machined aluminum adapter lets you put a secure and versatile front sling attachment point exactly where you want it. Aids in comfortable, hands-free carry of your rifle and quick transition from carry to shooting stance. Two-piece clamping system with a hardened steel crossbolt ensures a rock-solid attachment on the side of the weapon, the position now preferred by many tactical shooters. Accepts slings up to 1¼" wide. Rail Mount attaches to a handguard Picatinny rail and is easy to position where it won't interfere with other accessories.

## Attributes

# SLING THING, RAIL MOUNT Safety Instruction Guide

## Introduction

Thank you for purchasing the SLING THING, RAIL MOUNT. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always ensure the SLING THING, RAIL MOUNT is installed correctly before use.
- Regularly inspect the product for any signs of wear or damage.
- Do not exceed the maximum sling width of 1¼ inches (3.2 cm).
- Ensure that the sling attachment point does not interfere with the operation of your firearm.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only compatible slings that fit the specified dimensions.
- Ensure that the attachment is secure before carrying your firearm.
- Avoid using the product in adverse weather conditions that may affect its performance.
- Do not modify or alter the SLING THING, RAIL MOUNT in any way.
- If you notice any unusual sounds or movements while using the product, stop using it immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded before starting the installation.
- Identify the location on the handguard Picatinny rail where you want to attach the SLING THING, RAIL MOUNT.
- Align the rail mount with the desired slot on the Picatinny rail.
- Use the twopiece clamping system to secure the mount in place. Tighten the hardened steel crossbolt until snug, ensuring a rocksolid attachment.
- Doublecheck the attachment to confirm it is secure.

### 2. Usage

- Attach your sling to the loop of the SLING THING, RAIL MOUNT, ensuring it fits securely.
- Adjust the sling length to your preference for comfortable, handsfree carry.
- When transitioning from carry to shooting stance, ensure a smooth and controlled movement to maintain safety.

## Disposal Instructions

- Dispose of the SLING THING, RAIL MOUNT in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents accidental use by others.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the SLING THING, RAIL MOUNT, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your SLING THING, RAIL MOUNT. Always prioritize safety and proper usage to maintain the integrity of your equipment. Thank you for your attention to these important guidelines.
