

HANDALL BEAVERTAIL GRIP SLEEVES - HOGUE HANDALL BEAVERTAIL GRIP SLEEVE BLK GLOCK 17/19X/34 G1-2-5

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

The new grip sleeves are designed to fit specific polymer pistols now on the market. The Beavertail Grip Sleeve line has been engineered with models for precision fits on specific firearms. The initial offerings in this series has sleeves designed for perfect fits on three sizes of polymer firearms. While each sleeve has been created for a precise fit on specific polymer framed firearms, they also alternatively fit many other similarly sized firearms with a fully functional and aesthetic fit. The Beavertail Grip Sleeves are installed by slipping them over the frame of the firearm until seated into perfect position. Once installed, the HandALL sleeve provides a single finger groove for instinctive handling of the firearm. The finger groove leads into a gentle palm swell that has been carefully designed to fit naturally in the hand. The beavertail built into the grip sleeve rises high along the backstrap of the frame giving full rubber contact with the hand allowing a higher hand-placement on the grip without the fear of the slide biting the skin between the thumb and the trigger finger. In addition to protection and comfort, the beavertail also cushions the hand during recoil. The HandALL is built from a long-lasting durable thermoplastic elastomer compound. This rubber ages very gracefully and keeps a firm, tacky feel throughout the life of the grip. It will not harden, split or crack with age or usage. The grip sleeve is textured with Hogue's familiar Cobblestone™ texture, a series of small circular bumps that provide an efficient non-slip, non-irritating grip on the rubber.

Attributes

- Name: [HOGUE HANDALL BEAVERTAIL GRIP SLEEVE BLK GLOCK 17/19X/34 G1-2-5](#)
- Manufacturer: [HOGUE](#)
- Product no.: 408000219

HANDALL BEAVERTAIL GRIP SLEEVES Safety Instruction Guide

Introduction

Thank you for choosing the HANDALL BEAVERTAIL GRIP SLEEVES by Hogue. These grip sleeves are designed to enhance the comfort and control of your firearm. It is essential to follow safety guidelines to ensure the safe use of this product. This guide provides important safety instructions, installation procedures, and disposal information.

General Safety Guidelines

- Ensure the grip sleeve is compatible with your firearm model before installation.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children and unauthorized users.
- Do not use the grip sleeve if it appears damaged or worn.
- Regularly inspect the grip sleeve for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure the firearm is unloaded before installing the grip sleeve.
- Avoid using excessive force when sliding the grip sleeve onto the firearm.

• Usage Precautions:

- Always maintain a proper grip on the firearm to ensure safe handling.
- Be aware of the beavertail feature, which provides additional protection against slide bite.
- Ensure that your hand is properly positioned on the grip sleeve during use.

• Agespecific Warnings:

- This product is not intended for use by children. Keep out of reach of minors.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather the necessary tools if required (e.g., a soft cloth to clean the firearm).

2. Installation Steps:

- Clean the firearm's grip area to ensure proper adhesion.
- Align the grip sleeve with the frame of the firearm.
- Carefully slide the grip sleeve onto the firearm until it is fully seated.
- Ensure that the finger groove and palm swell are correctly positioned for optimal comfort.

3. Usage:

- Once installed, hold the firearm with a firm grip.
- Use the finger groove for instinctive handling.
- Maintain awareness of your hand placement to avoid any potential risks.

Disposal Instructions

- Dispose of the grip sleeve in accordance with local regulations.
- If the grip sleeve is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the grip sleeve in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the HANDALL BEAVERTAIL GRIP SLEEVES, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HANDALL BEAVERTAIL GRIP SLEEVES. Thank you for your attention to safety.
