

S-BRM BIPOD SLING SWIVEL MOUNT - HARRIS S-BRM BIPOD SLING SWIVEL MOUNT 6-9" BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Mounts to QD swivel studs on bolt action and single-shot rifles for ultimate field accuracy. Won't change zero; added weight steadies gun. Spring-loaded, telescoping legs adjust quickly, fold parallel to barrel for carrying. Series 1A2 bipods have solid base and do not swivel or rotate. Series S bipods rotate 45° for instant leveling on uneven ground. Buffer springs and adjustable tension on hinged base help eliminate tremor. All Models available in either Series. All Adapters fit either Series bipods. Not recommended for lever actions.

SBRM Bipod Sling Swivel Mount Safety Instructions

Introduction

Thank you for choosing the SBRM Bipod Sling Swivel Mount by Harris. This product is designed to enhance your shooting experience by providing stability and accuracy for your rifle. Please read this safety instruction guide carefully to ensure safe and effective use of the bipod.

General Safety Guidelines

- Always handle firearms with care and follow all applicable laws and regulations.
- Ensure that the bipod is compatible with your firearm before use. This bipod is not recommended for leveraction rifles.
- Inspect the bipod and all components for any signs of damage or wear before each use.
- Use the bipod only for its intended purpose, as specified in this guide.
- Keep the bipod out of reach of children and unauthorized users.
- In case of any concerns or questions about the product, refer to the contact information provided for further support.

Specific Safety Precautions for Use

- Ensure that the bipod is securely mounted to the QD swivel studs to prevent accidental detachment during use.
- Adjust the telescoping legs carefully to avoid pinching fingers or causing injury.
- When using the bipod on uneven ground, take extra care to ensure stability and safety.
- Do not exceed the recommended weight limit of the bipod to prevent failure.
- Avoid using the bipod in extreme weather conditions that may affect its performance.
- Always ensure that the firearm is unloaded when attaching or detaching the bipod.

Instructions for Installation and Usage

1. Installation:

- Locate the QD swivel studs on your rifle.
- Align the bipod mount with the QD swivel studs and securely attach it.
- Ensure that the bipod is locked in place and does not move.

2. Adjusting the Legs:

- To extend the legs, press the springloaded release button and pull the legs to the desired height (6 to 9 inches).
- Ensure that the legs are locked in place before use.
- To fold the legs for transport, pull them parallel to the barrel of the firearm.

3. Using the Bipod:

- Position the bipod on a stable surface to ensure accuracy.
- Utilize the adjustable tension on the hinged base to eliminate tremor while aiming.
- For Series S bipods, rotate the bipod 45° to level it on uneven ground.

4. PostUse:

- After use, fold the bipod legs and detach it from the rifle if necessary.
- Store the bipod in a safe and dry location.

Disposal Instructions

- Dispose of the bipod according to local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the bipod in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the SBRM Bipod Sling Swivel Mount, please refer to the contact information provided with your product. Always ensure that you are using the product in accordance with the safety instructions outlined above.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the SBRM Bipod Sling Swivel Mount.
