

WCP365/WCP365 XL GRIP MODULES - WILSON COMBAT GRIP MODULE, WCP365, MANUAL SAFETY, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Wilson Combat has reengineered the SIG-SAUER P365/P365 XL grip frame to optimize its practical shooting and concealed carry potential. These all-new molded polymer grip modules will enhance your grip and improve recoil control. The significant improvements in shape, texture, and overall ergonomics will give your P365 the superb feel of an expertly hand sculpted custom gun with a simple grip change. These six new models cover standard and XL P365 frames, with or without a manual safety in black and tan color. Wilson Combat's fresh look at the P365 grip module incorporates the suggestions of tactical trainers, champion shooters, and firearms experts into the final product that has a look that is unmistakably "Wilson". It is the most practical, comfortable, and stylish P365 grip available and the ideal choice for concealed carry and defensive handgun use. These are non-serialized, newly manufactured grip modules and are not serial numbered firearms. The Wilson Combat SIG-SAUER P365 Polymer Grip Module features: Upgraded, high-cut 1911-style beavertail grip tang for smooth draws Modified backstrap shape for more natural pointing and enhanced grip and recoil control Undercut front-strap and reshaped, radiused trigger guard for the highest grip possible Improved grip traction and increased grip pattern coverage with Wilson Combat's exclusive Starburst grip pattern on the sides and aggressive texturing on the front and backstrap Internal Slots for Rod-style Tungsten Weights (Sold separately) Factory SIG-SAUER magazine release, spring, and lock included Compatible with all standard holsters 1.4 oz 6 1/8" long 3 1/8" tall 2" grip (front to back) 1 1/8" grip (side to side) Light Compatibility: Streamlight - TLR-6 Tactical Gun Light Streamlight - TLR-7 Sub Ultra-Compact Tactical Gun Light Crimson Trace LTG 772 Lightguard Crimson Trace LTG 422 Sig Sauer Foxtrot365 Surefire XSC Micro-Compact Handgun Light Any light compatible with Sig Factory 365 Modules

Safety Instruction Guide for WCP365/WCP365 XL Grip Modules

Introduction

Thank you for choosing the Wilson Combat WCP365/WCP365 XL Grip Modules. This guide provides essential safety information and instructions for the safe use, installation, and disposal of your grip module. Please read this guide carefully to ensure safe handling and optimal performance.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip module by following all instructions. The grip module is designed for use with the SIGSAUER P365/P365 XL firearm.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Always check for updates regarding product safety.
- **Online Shopping:** Purchases made online are subject to the same safety standards as those made in physical stores. Ensure you buy from reputable sources.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep firearms and accessories out of reach of children and unauthorized users.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact points provided by your retailer.
- **Rapid Alerts:** Stay informed about product safety by checking the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Compatibility:** Ensure the grip module is compatible with your specific model of SIGSAUER P365 or P365 XL.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting which may compromise safety.
- **Handling:** Always treat the firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Maintenance:** Regularly inspect the grip module for signs of wear or damage. Replace if any issues are identified.
- **Shooting Practices:** Use appropriate ammunition and follow all safety practices when shooting. Ensure that those around you are also following safety protocols.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning the installation process.
- Remove the existing grip module from the firearm as per the manufacturer's instructions.
- Align the new Wilson Combat grip module with the firearm frame.
- Secure the grip module in place following the manufacturer's guidelines.
- Check that the magazine release, safety, and other components function correctly after installation.

2. Usage:

- Hold the firearm firmly using the new grip module to enhance recoil control.
- Practice with the grip module to become familiar with its feel and handling characteristics.
- Use lights compatible with the SIG Factory 365 Modules for improved visibility in lowlight

conditions.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations.
- Do not throw the grip module in the regular trash if it is damaged or unusable.
- For environmentally responsible disposal, consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the WCP365/WCP365 XL Grip Modules, please refer to your retailer or the manufacturer's website for support and additional resources.
