Wilson Combat has reengineered the SIG-SAUER P365/P365 XL grip frame to optimize its practical shooting and concealed carry potential. These all-new molded polymer grip modules will enhance your grip and improve recoil control. The significant improvements in shape, texture, and overall ergonomics will give your P365 the superb feel of an expertly hand sculpted custom gun with a simple grip change. These six new models cover standard and XL P365 frames, with or without a manual safety in black and tan color. Wilson Combat's fresh look at the P365 grip module incorporates the suggestions of tactical trainers, champion shooters, and firearms experts into the final product that has a look that is unmistakably "Wilson". It is the most practical, comfortable, and stylish P365 grip available and the ideal choice for concealed carry and defensive handgun use. These are non-serialized, newly manufactured grip modules and are not serial numbered firearms. # Wilson Combat Grip Module Safety Instruction Guide

## Introduction

Thank you for choosing the Wilson Combat Grip Module for your SIGSAUER P365 or P365 XL. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your grip module. Please read the entire document carefully before installation and usage.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store your firearm and grip module in a secure location, out of reach of children and unauthorized users.
- Inspect your grip module regularly for any signs of wear or damage.
- Ensure that all components are compatible with your firearm model before installation.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

- Do not use the grip module if it shows any signs of damage, such as cracks or deformities.
- Ensure that the grip module is installed correctly before using your firearm.
- Avoid using any accessories that are not specifically designed for the Wilson Combat Grip Module.
- Do not attempt to modify the grip module beyond the manufacturer's specifications.
- Always wear appropriate eye and ear protection when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

### 2. Installation Steps

- Remove the existing grip frame from your SIGSAUER P365 or P365 XL.
- Align the Wilson Combat Grip Module with the frame of your firearm.
- Press the grip module into place until it is securely attached.
- Reinstall any components that were removed, such as the magazine release and trigger guard.

### 3. Usage

- Hold the firearm with a firm grip using the Wilson Combat Grip Module.
- Practice proper shooting techniques and maintain control of the firearm.
- Regularly check the grip module for tightness and secure fit during usage.

## Disposal Instructions

- Dispose of any damaged grip modules in accordance with local waste disposal regulations.
- Do not throw away grip modules in regular household waste if they are considered hazardous materials.
- Contact local waste management services for guidance on proper disposal methods.
