

WCP365/WCP365 XL GRIP MODULES - WILSON COMBAT GRIP MODULE, WCP365, NO MANUAL SAFETY, TAN

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Wilson Combat has reengineered the SIG-SAUER P365/P365 XL grip frame to optimize its practical shooting and concealed carry potential. These all-new molded polymer grip modules will enhance your grip and improve recoil control. The significant improvements in shape, texture, and overall ergonomics will give your P365 the superb feel of an expertly hand sculpted custom gun with a simple grip change. These six new models cover standard and XL P365 frames, with or without a manual safety in black and tan color. Wilson Combat's fresh look at the P365 grip module incorporates the suggestions of tactical trainers, champion shooters, and firearms experts into the final product that has a look that is unmistakably "Wilson". It is the most practical, comfortable, and stylish P365 grip available and the ideal choice for concealed carry and defensive handgun use. These are non-serialized, newly manufactured grip modules and are not serial numbered firearms. The Wilson Combat SIG-SAUER P365 Polymer Grip Module features: Upgraded, high-cut 1911-style beavertail grip tang for smooth draws Modified backstrap shape for more natural pointing and enhanced grip and recoil control Undercut front-strap and reshaped, radiused trigger guard for the highest grip possible Improved grip traction and increased grip pattern coverage with Wilson Combat's exclusive Starburst grip pattern on the sides and aggressive texturing on the front and backstrap Internal Slots for Rod-style Tungsten Weights (Sold separately) Factory SIG-SAUER magazine release, spring, and lock included Compatible with all standard holsters 1.4 oz 6 1/8" long 3 1/8" tall 2" grip (front to back) 1 1/8" grip (side to side) Light Compatability: Streamlight - TLR-6 Tactical Gun Light Streamlight - TLR-7 Sub Ultra-Compact Tactical Gun Light Crimson Trace LTG 772 Lightguard Crimson Trace LTG 422 Sig Sauer Foxtrot365 Surefire XSC Micro-Compact Handgun Light Any light compatible with Sig Factory 365 Modules

Safety Instruction Guide for WCP365/WCP365 XL Grip Modules

Introduction

Thank you for choosing the WCP365/WCP365 XL Grip Modules by Wilson Combat. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your grip module. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that your firearm is unloaded before installing or handling the grip module.
- Always handle firearms with care and follow the manufacturer's safety instructions.
- Be aware of your surroundings when using your firearm.
- Store the grip module and firearm securely to prevent unauthorized access, especially by children.
- Regularly inspect the grip module for any signs of wear or damage before use.
- If you experience any issues with the grip module, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the grip module is compatible with your SIGSAUER P365 or P365 XL model.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting that could affect firearm performance.
- **Grip Traction:** The Wilson Combat grip module features an aggressive texturing for enhanced grip. Ensure your hands are dry and clean to maintain optimal grip.
- **Light Compatibility:** Only use lights that are compatible with the SIG Factory 365 Modules to avoid interference with the firearm's function.
- **Weight Addition:** If using tungsten weights, ensure they are installed correctly and securely to avoid any shifting during use.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, such as a screwdriver, if required.

2. Remove the Existing Grip Module:

- Carefully detach the existing grip module from the firearm according to the manufacturer's instructions.

3. Install the New Grip Module:

- Align the new grip module with the frame of the firearm.
- Press firmly until the module is seated properly.
- If applicable, secure with screws or fasteners as per the installation manual.

4. Check Compatibility:

- Ensure that the magazine release, safety (if applicable), and other components are functioning

correctly with the new grip module.

5. Final Inspection:

- Inspect the installation for any gaps or misalignments.
- Test the grip module by holding the firearm to ensure a comfortable and secure fit.

Usage Tips

- Practice regularly with your firearm to become familiar with the new grip module.
- Consider taking a training course to enhance your shooting skills and safety awareness.
- Always follow local laws and regulations regarding firearm use and carry.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the grip module is damaged beyond repair, dispose of it in accordance with local regulations for electronic waste or polymer materials.
- Do not throw away firearms or firearm accessories in regular household waste.

Contact Information for Further Support

For any questions regarding the safety, installation, or use of the WCP365/WCP365 XL Grip Modules, please consult the manufacturer's website or contact their customer service for assistance. Always ensure you have the latest information and updates regarding your product.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your WCP365/WCP365 XL Grip Modules. Thank you for prioritizing safety and responsible firearm use.
