

WCP365/WCP365 XL GRIP MODULES - WILSON COMBAT GRIP MODULE, WCP365 XL, MANUAL SAFETY, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Wilson Combat has reengineered the SIG-SAUER P365/P365 XL grip frame to optimize its practical shooting and concealed carry potential. These all-new molded polymer grip modules will enhance your grip and improve recoil control. The significant improvements in shape, texture, and overall ergonomics will give your P365 the superb feel of an expertly hand sculpted custom gun with a simple grip change. These six new models cover standard and XL P365 frames, with or without a manual safety in black and tan color. Wilson Combat's fresh look at the P365 grip module incorporates the suggestions of tactical trainers, champion shooters, and firearms experts into the final product that has a look that is unmistakably "Wilson". It is the most practical, comfortable, and stylish P365 grip available and the ideal choice for concealed carry and defensive handgun use. These are non-serialized, newly manufactured grip modules and are not serial numbered firearms. The Wilson Combat SIG-SAUER P365 Polymer Grip Module features: Upgraded, high-cut 1911-style beavertail grip tang for smooth draws Modified backstrap shape for more natural pointing and enhanced grip and recoil control Undercut front-strap and reshaped, radiused trigger guard for the highest grip possible Improved grip traction and increased grip pattern coverage with Wilson Combat's exclusive Starburst grip pattern on the sides and aggressive texturing on the front and backstrap Internal Slots for Rod-style Tungsten Weights (Sold separately) Factory SIG-SAUER magazine release, spring, and lock included Compatible with all standard holsters 1.4 oz 6 1/8" long 3 1/8" tall 2" grip (front to back) 1 1/8" grip (side to side) Light Compatibility: Streamlight - TLR-6 Tactical Gun Light Streamlight - TLR-7 Sub Ultra-Compact Tactical Gun Light Crimson Trace LTG 772 Lightguard Crimson Trace LTG 422 Sig Sauer Foxtrot365 Surefire XSC Micro-Compact Handgun Light Any light compatible with Sig Factory 365 Modules

Wilson Combat WCP365/WCP365 XL Grip Modules

Safety Instruction Guide

Introduction

Thank you for choosing the Wilson Combat WCP365/WCP365 XL Grip Modules. These grip modules are designed to enhance the performance of your SIGSAUER P365 and P365 XL firearms. This safety instruction guide provides important safety information, usage instructions, and disposal guidelines to ensure safe handling and optimal performance of your product.

General Safety Guidelines

- Ensure that the grip module is compatible with your firearm model before installation.
- Always handle firearms with care and follow standard safety practices.
- Keep the grip module and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip module for any signs of wear or damage.
- If you notice any defects or issues, do not use the grip module and contact a qualified professional for assistance.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Use the grip module only as intended and in accordance with the manufacturer's instructions.
- Ensure that the firearm is unloaded before installing or modifying the grip module.
- Do not attempt to modify the grip module beyond the manufacturer's specifications.
- Be aware of your surroundings and ensure a safe environment when handling your firearm.
- Use appropriate safety gear (e.g., eye protection) when shooting or handling firearms.
- If using accessories such as lights, ensure they are properly installed and compatible with the grip module.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip module from the firearm by following the manufacturer's instructions.
- Align the new Wilson Combat grip module with the frame of the firearm.
- Secure the grip module in place by following the installation procedure outlined in the SIGSAUER manual.
- Confirm that the grip module is properly attached and does not move or shift.

2. Usage

- Familiarize yourself with the feel and handling of the new grip module before using the firearm in a live environment.
- Practice safe firearm handling techniques at all times.
- Regularly check the grip module for any signs of wear, especially after extensive use.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations.
- If the grip module is damaged and no longer usable, consider recycling the polymer material if facilities are available.

- Do not dispose of the grip module in regular household waste.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Wilson Combat WCP365/WCP365 XL Grip Modules, please refer to the manufacturer's website or contact their customer service.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is paramount. Enjoy using your Wilson Combat grip module responsibly.
