

# WCP365/WCP365 XL GRIP MODULES - WILSON COMBAT GRIP MODULE, WCP365 XL, NO MANUAL SAFETY, TAN

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Wilson Combat has reengineered the SIG-SAUER P365/P365 XL grip frame to optimize its practical shooting and concealed carry potential. These all-new molded polymer grip modules will enhance your grip and improve recoil control. The significant improvements in shape, texture, and overall ergonomics will give your P365 the superb feel of an expertly hand sculpted custom gun with a simple grip change. These six new models cover standard and XL P365 frames, with or without a manual safety in black and tan color. Wilson Combat's fresh look at the P365 grip module incorporates the suggestions of tactical trainers, champion shooters, and firearms experts into the final product that has a look that is unmistakably "Wilson". It is the most practical, comfortable, and stylish P365 grip available and the ideal choice for concealed carry and defensive handgun use. These are non-serialized, newly manufactured grip modules and are not serial numbered firearms. The Wilson Combat SIG-SAUER P365 Polymer Grip Module features: Upgraded, high-cut 1911-style beavertail grip tang for smooth draws Modified backstrap shape for more natural pointing and enhanced grip and recoil control Undercut front-strap and reshaped, radiused trigger guard for the highest grip possible Improved grip traction and increased grip pattern coverage with Wilson Combat's exclusive Starburst grip pattern on the sides and aggressive texturing on the front and backstrap Internal Slots for Rod-style Tungsten Weights (Sold separately) Factory SIG-SAUER magazine release, spring, and lock included Compatible with all standard holsters 1.4 oz 6 1/8" long 3 1/8" tall 2" grip (front to back) 1 1/8" grip (side to side) Light Compatibility: Streamlight - TLR-6 Tactical Gun Light Streamlight - TLR-7 Sub Ultra-Compact Tactical Gun Light Crimson Trace LTG 772 Lightguard Crimson Trace LTG 422 Sig Sauer Foxtrot365 Surefire XSC Micro-Compact Handgun Light Any light compatible with Sig Factory 365 Modules

## Safety Instructions

### Introduction

Thank you for choosing the Wilson Combat WCP365/WCP365 XL Grip Modules. These grip modules have been designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

### General Safety Guidelines

- Always treat the grip module as if it is loaded.
- Keep the grip module away from children and unauthorized users.
- Ensure you are familiar with the operation of your firearm before using the grip module.
- Never point the firearm at anything you do not intend to shoot.
- Always wear appropriate personal protective equipment, such as eye and ear protection, when handling firearms.
- Regularly inspect the grip module for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and use.

### Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the grip module.
- Use only compatible firearms as specified in the product description.
- Avoid using the grip module in extreme temperatures or environments that may affect its performance.
- Be cautious when using accessories that may alter the firearm's balance or handling characteristics.
- If you experience any issues with the grip module during use, discontinue use immediately and consult a qualified gunsmith.

### Instructions for Installation and Usage

#### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip module from the firearm according to the manufacturer's instructions.
- Align the Wilson Combat grip module with the firearm frame.
- Press firmly until the grip module is securely attached.
- Verify that the grip module is properly installed by checking for any gaps or misalignment.

#### 2. Usage

- Familiarize yourself with the grip module's features, including the upgraded beavertail grip tang and modified backstrap.
- Practice proper grip techniques to maximize control and accuracy.
- Test the grip module at a safe shooting range to assess comfort and performance.
- Adjust your grip as needed based on your shooting style and preferences.

### Disposal Instructions

- Dispose of any damaged or worn grip modules in accordance with local regulations.
- Do not discard grip modules in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Wilson Combat WCP365/WCP365 XL Grip Modules, please contact the manufacturer or your local dealer for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Wilson Combat WCP365/WCP365 XL Grip Modules. Always prioritize safety and stay informed about best practices in firearm handling. Thank you for choosing Wilson Combat.
