

# 22 CALIBER (0.224") HIGH VELOCITY CONTROLLED CHAOS BULLETS - LEHIGH DEFENSE CONTROLLED CHAOS 22 CALIBER (0.224") SCHP 32GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

LeHigh's High Velocity Controlled Chaos rounds were developed as a result of an animal control agency's request for a no lead .243 bullet that would provide extensive wound trauma with little minimal pass through energy. Basically the idea was to burst the bullet into numerous particles at a predetermined depth creating many wounds and a large temporary cavity with shot placement at or near the central nervous system. The agency had tried copper matrix frangible rounds and found the penetration depth and particle size were less than what was require for proper terminal performance. Many wound channels resulting in extensive damage CNC machined from solid copper or brass, not formed or swaged Exceptional accuracy from the advanced manufacturing process A separate base for penetration along the original trajectory No lead designs for agencies requiring green projectiles

## Attributes

- Name: [LEHIGH DEFENSE CONTROLLED CHAOS 22 CALIBER \(0.224"\) SCHP 32GR 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 430101366
- Mfr. No.: 05224032CUSP
- Ballistic Coefficient (G1): 0.184
- Brand Style: Controlled Chaos
- Bullet Style: Hollow Point (HP)
- Caliber: 22 Caliber
- Diameter (Breech): 0.224
- Diameter (in): 0.224
- Grain: 32
- Quantity: 50
- Delivery weight: 0.104kg
- Shipping height: 64mm
- Shipping width: 64mm
- Shipping length: 76mm
- UPC: 810025507541

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 22 Caliber (0.224") High Velocity Controlled Chaos Bullets

## Introduction

Thank you for choosing the LeHigh Defense Controlled Chaos 22 Caliber (0.224") High Velocity Controlled Chaos Bullets. This guide is designed to provide you with essential safety information and instructions for the safe use, installation, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms specifically designed for 22 caliber ammunition.
- Always wear appropriate safety gear, including eye protection, when handling or using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the relevant authorities immediately.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded when inserting or removing ammunition.
- Do not mix different types of ammunition in the same magazine or chamber.
- Inspect ammunition for any signs of damage before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Do not use ammunition that has been stored improperly or appears damaged.
- Be cautious of ricochet and ensure that a proper backstop is in place when shooting.
- Only use this ammunition in firearms that are in good working condition.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Insert the ammunition into the magazine or chamber according to the manufacturer's instructions.
- Close the action of the firearm securely.

### 2. Firing the Ammunition:

- Take a stable shooting position and aim at the target.
- Keep your finger off the trigger until you are ready to fire.
- Squeeze the trigger gently to fire the round.
- After firing, maintain control of the firearm and be aware of the surroundings.

### 3. PostUse:

- After shooting, unload the firearm in a safe manner.
- Inspect the firearm and ammunition for any signs of malfunction or damage.

## **Disposal Instructions**

- Dispose of used or damaged ammunition according to local regulations.
- Do not throw ammunition in the regular trash.
- Contact local authorities or waste disposal services for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety of this product, please contact the manufacturer or your local distributor. Ensure to keep this guide for future reference.

This safety instruction guide is intended to help you use the LeHigh Defense Controlled Chaos 22 Caliber (0.224") High Velocity Controlled Chaos Bullets safely and responsibly. Always prioritize safety and adhere to all legal requirements when handling firearms and ammunition.
