

# 30 CALIBER (0.308") HIGH VELOCITY CONTROLLED CHAOS BULLETS - LEHIGH DEFENSE CONTROLLED CHAOS 30 CALIBER (0.308") SCHP 125GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

LeHigh's High Velocity Controlled Chaos rounds were developed as a result of an animal control agency's request for a no lead .243 bullet that would provide extensive wound trauma with little minimal pass through energy. Basically the idea was to burst the bullet into numerous particles at a predetermined depth creating many wounds and a large temporary cavity with shot placement at or near the central nervous system. The agency had tried copper matrix frangible rounds and found the penetration depth and particle size were less than what was require for proper terminal performance. Many wound channels resulting in extensive damage CNC machined from solid copper or brass, not formed or swaged Exceptional accuracy from the advanced manufacturing process A separate base for penetration along the original trajectory No lead designs for agencies requiring green projectiles

## Attributes

- Name: [LEHIGH DEFENSE CONTROLLED CHAOS 30 CALIBER \(0.308"\) SCHP 125GR 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 430101371
- Mfr. No.: 05308125CUSP
- Ballistic Coefficient (G1): -
- Brand Style: Controlled Chaos
- Bullet Style: Hollow Point (HP)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 125
- Quantity: 50
- Delivery weight: 0.405kg
- Shipping height: 64mm
- Shipping width: 64mm
- Shipping length: 76mm
- UPC: 810025507657

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 30 Caliber (0.308") High Velocity Controlled Chaos Bullets

## Introduction

Thank you for choosing LeHigh Defense's 30 Caliber (0.308") High Velocity Controlled Chaos Bullets. This guide provides essential safety instructions to ensure the safe use of this product. It is crucial to follow these guidelines to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users are familiar with firearms safety protocols.
- Always treat every firearm as if it is loaded.
- Store ammunition in a cool, dry place away from direct sunlight and out of reach of children.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use this ammunition in firearms specifically designed for .308 caliber rounds.
- Do not use this product if you are inexperienced with firearms or ammunition.
- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is in good working condition before use.
- Keep the muzzle pointed in a safe direction at all times.
- Be aware of your target and what lies beyond it.
- Do not modify the ammunition in any way.
- Avoid using this ammunition in wet conditions or environments that may compromise performance.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Load the bullets into the magazine according to the manufacturer's instructions for your specific firearm model.
- Close the action of the firearm securely.

### 2. Firing the Ammunition:

- Position yourself in a stable shooting stance.
- Grip the firearm firmly and place your finger outside the trigger guard until ready to shoot.
- Aim at your target, ensuring it is safe to shoot.
- Squeeze the trigger gently to fire the round.
- After firing, maintain control of the firearm and be prepared for recoil.

### 3. PostUse:

- After use, unload the firearm in a safe manner.
- Store any unused ammunition in a secure location.
- Clean the firearm according to the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not discard ammunition in regular waste bins.
- Contact local authorities or waste management services for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of this product, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these guidelines, you can ensure the safe handling and use of LeHigh Defense's 30 Caliber (0.308") High Velocity Controlled Chaos Bullets. Always prioritize safety and responsibility when using firearms and ammunition.
