

SHOE SNAKES - SPIRITUS SYSTEMS 45" SHOE SNAKES - MULTICAM BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

Shoe Snakes Spiritus Systems Shoe Snakes officially licensed Multicam and Multicam Black shoe laces. Made in America from US sourced materials, these flat-woven laces were designed to stay securely knotted under prolonged use and stand up to heavy wear and tear. These are great for your Altama OTBs, VANS, or Chuck Taylors. Shoe Snakes come in two sizes to accommodate different sneakers: 45" Length for Low Tops 63" Length for High Tops Unsure of what size to get? Pull your lace out of your shoe and measure it, then select the lace size that matches best. Spiritus Systems is the ONLY place to get 45" and 63" inch length laces. Each package comes with a pair of laces. Note: This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for SHOE SNAKES SPIRITUS SYSTEMS 45" SHOE SNAKES MULTICAM BLACK

Introduction

Thank you for choosing the SHOE SNAKES SPIRITUS SYSTEMS 45" SHOE SNAKES in Multicam Black. This product is designed for durability and comfort, but it is important to follow safety guidelines to ensure proper use and to minimize any risks associated with its use. This guide provides essential safety instructions and recommendations in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep the product out of reach of small children to prevent choking hazards.
- Inspect the laces regularly for signs of wear and tear. Replace them if damaged.
- Use the laces only for their intended purpose – as shoelaces for sneakers.
- Do not use the laces in any manner that is not specified in the instructions.

Specific Safety Precautions for Use

- **Choking Hazard:** The laces may pose a choking hazard for young children. Always supervise children when they are near the product.
- **Allergic Reactions:** If you have known allergies to certain materials, check the product for potential allergens before use.
- **Proper Use:** Ensure that the laces are securely knotted to avoid tripping hazards during use.
- **Avoid Excessive Tension:** Do not pull the laces excessively tight, as this may cause discomfort or damage to the shoe.

Instructions for Installation and Usage

1. Measuring for Size:

- Remove the existing laces from your shoes.
- Measure the length of the laces you removed.
- Choose the appropriate length of SHOE SNAKES (45" for low tops, 63" for high tops) based on your measurement.

2. Installing the Laces:

- Begin by threading one end of the lace through the bottom eyelet of the shoe.
- Continue threading the lace through the eyelets in a crisscross pattern until you reach the top.
- Ensure the laces are evenly distributed on both sides.

3. Securing the Laces:

- Tie the laces in a secure knot to prevent them from coming undone during use.
- You may double knot for added security if desired.

4. Checking the Fit:

- Once the laces are tied, check that they are not too loose or too tight.

- Adjust as necessary for comfort and safety.

Disposal Instructions

- Dispose of any old or damaged laces in accordance with local waste management guidelines.
- The SHOE SNAKES packaging can be recycled where facilities exist. Please check local recycling regulations.

Contact Information for Further Support

For any inquiries regarding safety or usage of the SHOE SNAKES SPIRITUS SYSTEMS, please consult the manufacturer's contact information provided on the product packaging or visit the official website.

Conclusion

By following these safety instructions, you can enjoy the benefits of your SHOE SNAKES SPIRITUS SYSTEMS 45" SHOE SNAKES while ensuring your safety and the safety of others. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for choosing our product, and we hope it enhances your footwear experience!
