## Introduction

Thank you for choosing the RISE Armament RAVE PCC Trigger with AntiWalk Pins. This product is designed to enhance the performance of your pistol caliber carbine (PCC). To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information regarding safety guidelines, installation, and usage of the trigger.

## General Safety Guidelines

- Always treat the trigger as if it is loaded.
- Keep the trigger out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Regularly inspect the trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications.
- Ensure that your firearm is unloaded before installation or maintenance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure you are familiar with your firearm's operation and safety features before using the RAVE PCC Trigger.
- Do not modify the trigger or any associated components beyond manufacturer specifications.
- Always wear appropriate eye and ear protection when using firearms.
- Avoid using the trigger in wet or damp conditions to prevent corrosion.
- If you experience any malfunctions while using the trigger, cease use immediately and consult a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure your firearm is completely unloaded. Remove the magazine and visually inspect the chamber.
2. **Disassembly:** Disassemble your firearm according to the manufacturer's instructions to access the trigger assembly.
3. **Remove Old Trigger:** Carefully remove the existing trigger from the firearm. Take note of the orientation and position of all components.
4. **Install the RAVE PCC Trigger:**
  - Align the RAVE PCC Trigger with the trigger housing.
  - Insert the antiwalk pins to secure the trigger in place.
  - Ensure all components are seated properly and that the trigger functions smoothly.
5. **Reassembly:** Reassemble your firearm according to the manufacturer's instructions.
6. **Function Check:** Perform a function check to ensure that the trigger operates correctly. Verify that the safety features are functional.

### Usage Instructions

- Always keep your finger off the trigger until you are ready to shoot.
- Aim your firearm in a safe direction at all times.

- Be aware of your target and what lies beyond it.
- If you encounter any issues during use, stop immediately and seek assistance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.
