RAVE PCC Trigger with AntiWalk Pins Safety Instructions

Introduction

Thank you for purchasing the RAVE PCC Trigger with AntiWalk Pins from RISE Armament. This guide provides essential safety instructions to ensure the safe use and installation of your new trigger. Please read this manual carefully before use to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely, out of the reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you have a safe backdrop when shooting.
- Regularly inspect your trigger and firearm for wear and damage.
- Follow all local laws and regulations regarding firearms and their components.

Specific Safety Precautions for Use

- Ensure that the trigger is compatible with your specific firearm model (AR15).
- Do not use the trigger if it shows any signs of damage or wear.
- Always use appropriate protective gear, including eye and ear protection, when using firearms.
- Avoid using the trigger in wet or humid conditions to prevent corrosion.
- Do not modify the trigger or any of its components; modifications can lead to unsafe conditions.
- Only use ammunition that is recommended for your firearm.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Before beginning the installation, ensure your firearm is unloaded and the safety is engaged.
2. **Remove Existing Trigger:** Follow the manufacturer's instructions to safely remove the existing trigger from your firearm.
3. **Insert the RAVE PCC Trigger:**
 - Align the trigger with the trigger housing.
 - Securely attach the trigger using the provided antiwalk pins, ensuring they are properly seated.
4. **Check Functionality:** After installation, manually cycle the action of the firearm to ensure proper function of the trigger.
5. **Test Fire:** Conduct a test fire in a safe and controlled environment to confirm that the trigger operates as intended.

Usage Instructions

- Always perform a function check before using your firearm after installation.
- Familiarize yourself with the trigger's characteristics, including pull weight and reset.
- Practice safe shooting habits at all times.

Disposal Instructions

When disposing of your trigger or any firearm components: * Follow local regulations regarding the disposal of firearms and firearm parts. * If the trigger is damaged or no longer usable, consider contacting a local gunsmith or firearms dealer for proper disposal methods. * Do not dispose of firearms or components in regular household waste.
