An Enhanced, Safe Trigger for Your Gen 5 Glock

Even though there's a lot to like about the Gen 5 Glock, one thing that could be improved is the trigger. However, many aftermarket triggers don't give you a guarantee on maintaining the reliability of your go-to handgun, but Timney Triggers designed its Alpha Trigger with reliability and safety in mind. Each Timney Alpha Trigger is purposely designed to maintain the legendary reliability and safety of the Glock operating system, all while enhancing the trigger pull for greater performance. This trigger includes a Teflon-nickel-treated trigger bar and sear, along with an anodized-aluminum straight trigger blade. The factory-tuned components are built to give you a crisp, clean trigger pull that measures in at three pounds. Other than these components, the Timney Alpha Glock trigger uses all of Glock's OEM components and springs. The trigger parts are easy to install, so you'll need no gunsmith to enhance your go-to Glock. You'll be making precision shots in no time. The trigger is designed to fit Gen 5 models of the G17, G19 and G34.

Safety Instruction Guide for ALPHA TRIGGER FOR GLOCK® GEN 5 G17/19/34 3LBS

Introduction

The ALPHA TRIGGER FOR GLOCK® GEN 5 G17/19/34 3LBS is an aftermarket trigger designed to enhance the performance of your Glock handgun. This guide provides essential safety instructions to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the firearm is pointed in a safe direction at all times.
- Store the trigger and firearm securely, out of reach of children and unauthorized users.
- Familiarize yourself with the operation of your firearm and the trigger before use.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the trigger.
- Use only with Glock models G17, G19, and G34 Gen 5.
- Verify that all components are intact and free from damage before installation.
- Do not attempt to modify the trigger or any of its components beyond the manufacturer's specifications.
- Avoid using the trigger in adverse conditions (e.g., extreme temperatures, moisture) that may affect performance.
- If you experience any malfunction, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (if required) for installation.

2. Installation Steps

- Remove the factory trigger according to the manufacturer's guidelines.
- Install the Timney Alpha Trigger by following these steps:
 - Insert the Teflonnickeltreated trigger bar and sear into the designated slots.
 - Attach the anodizedaluminum straight trigger blade securely.
 - Ensure all components are seated properly and function smoothly.
- Reassemble the firearm carefully, ensuring no parts are left out.

3. Testing

- Perform a function check to ensure the trigger operates correctly.
- Ensure that the trigger pull feels crisp and clean at three pounds.

4. Usage

- When using the firearm with the new trigger, maintain proper shooting techniques.
- Regularly practice safe handling and shooting drills.

Disposal Instructions

- Dispose of the trigger and any packaging materials responsibly.
- Follow local regulations for the disposal of firearm components.
- Do not dispose of the trigger in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's official website or customer service channels for assistance.

This guide is intended to provide consumers with clear and comprehensive safety instructions for the ALPHA TRIGGER FOR GLOCK® GEN 5 G17/19/34 3LBS. Always prioritize safety and responsible firearm handling.
